AH!, GOOD MORNING SENIORS!!

FRESHMAN! DON'T KNOW HOW TO SAY HELLO TO YOUR SENIORS?!?!?

EN, VERY-GOOD!

I really want to overcome this fear.

I am afraid of turtles, so I am afraid to touch it,

oh, nothing, the turtle seems to have awoken from his hybernation...

BULLSHIT! I DIDN'T ASK YOU ABOUT THAT FUCKING TURTLE!!

STAND THE FUCK UP!!

14

Dont worry, they are taking the #5 bus, going a different direc-tion...

I am really afraid of reptiles...

please...

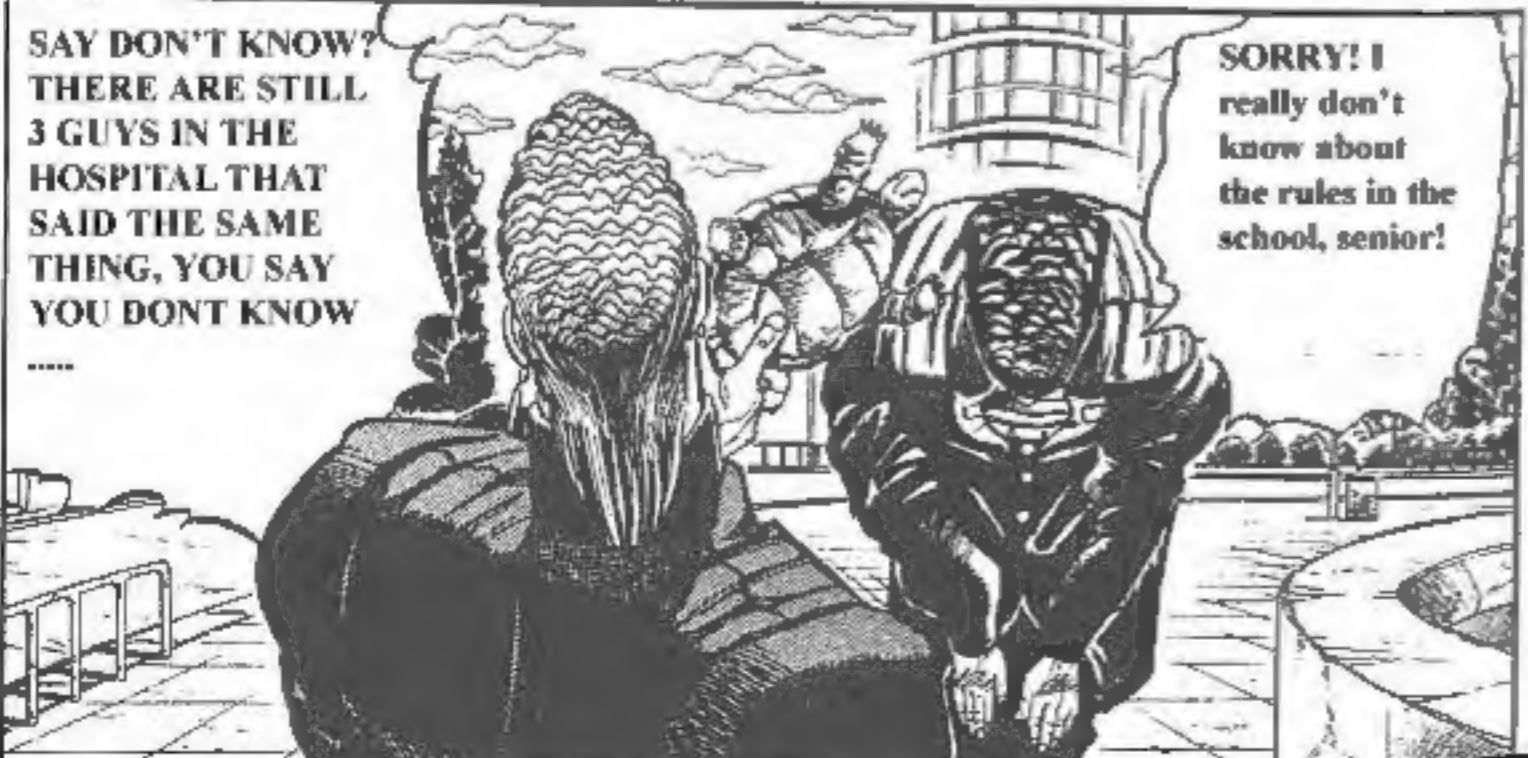

GOING TO OUR SCHOOL, YOU HAVE TO GREET US FIRST!!

QUIT BEING TO FUCKING RETARDED!!

SAY DON'T KNOW? THERE ARE STILL 3 GUYS IN THE HOSPITAL THAT SAID THE SAME THING, YOU SAY YOU DONT KNOW

.....

SORRY! I really don't know about the rules in the school, senior!

OH.... Only a freshman....so tall already!

WHO TAUGHT TO LOOK AT YOUR SENIORS LIKE THAT?!

u must be a big man in your junior high

18

※ 仗助之日语，發音可發成ジョジョ也就是「JO JO」。

22

STAND!!

THEN  
WHAT  
DID I  
HEAR  
HUH?!?!  
鳴

NO BODY  
CAN SAY  
BAD THINGS  
ABOUT MY  
HAIR

WHAT  
DID YOU  
SAY JUST  
NOW??

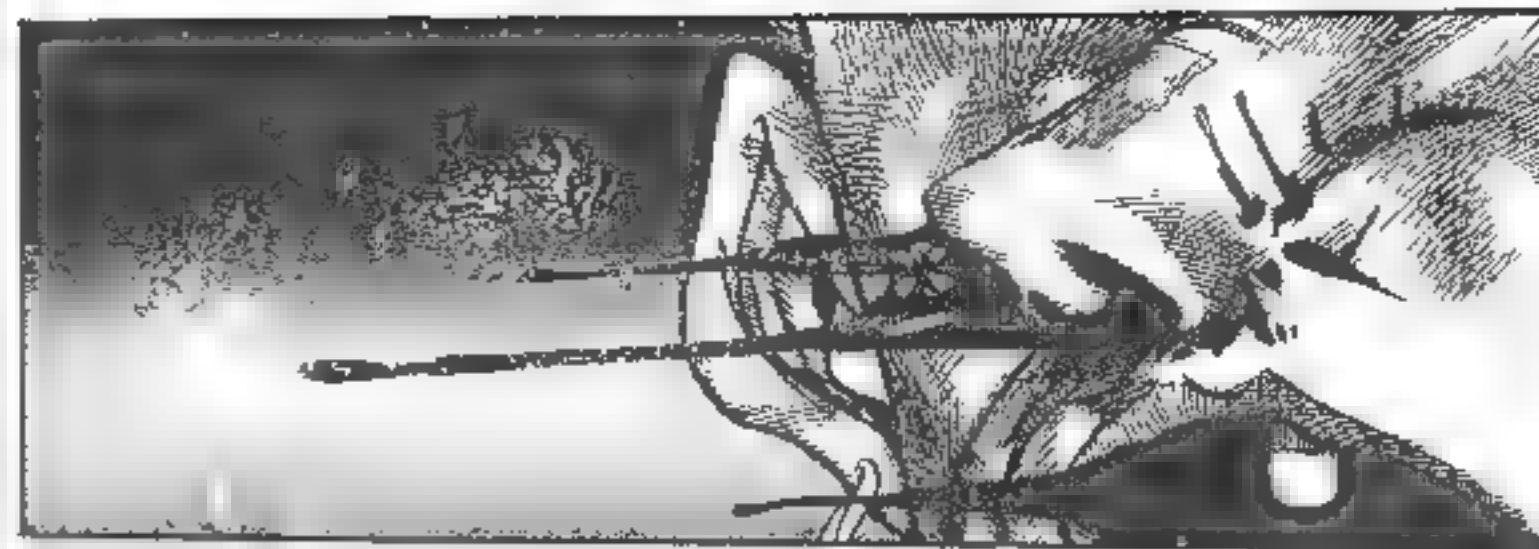

NO...  
NOTHING

A stand, even tough I  
didn't get a good look,  
but I sure saw a  
stand behind him!

哇——！

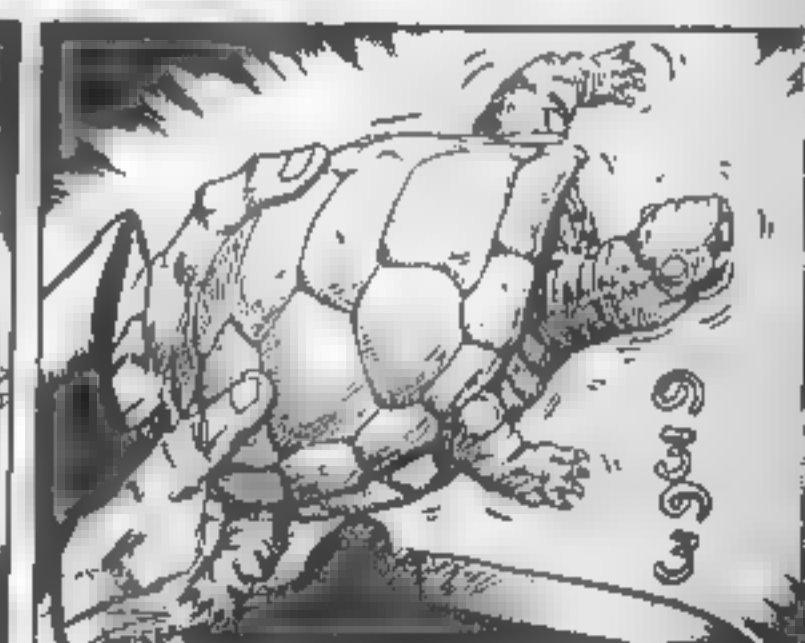

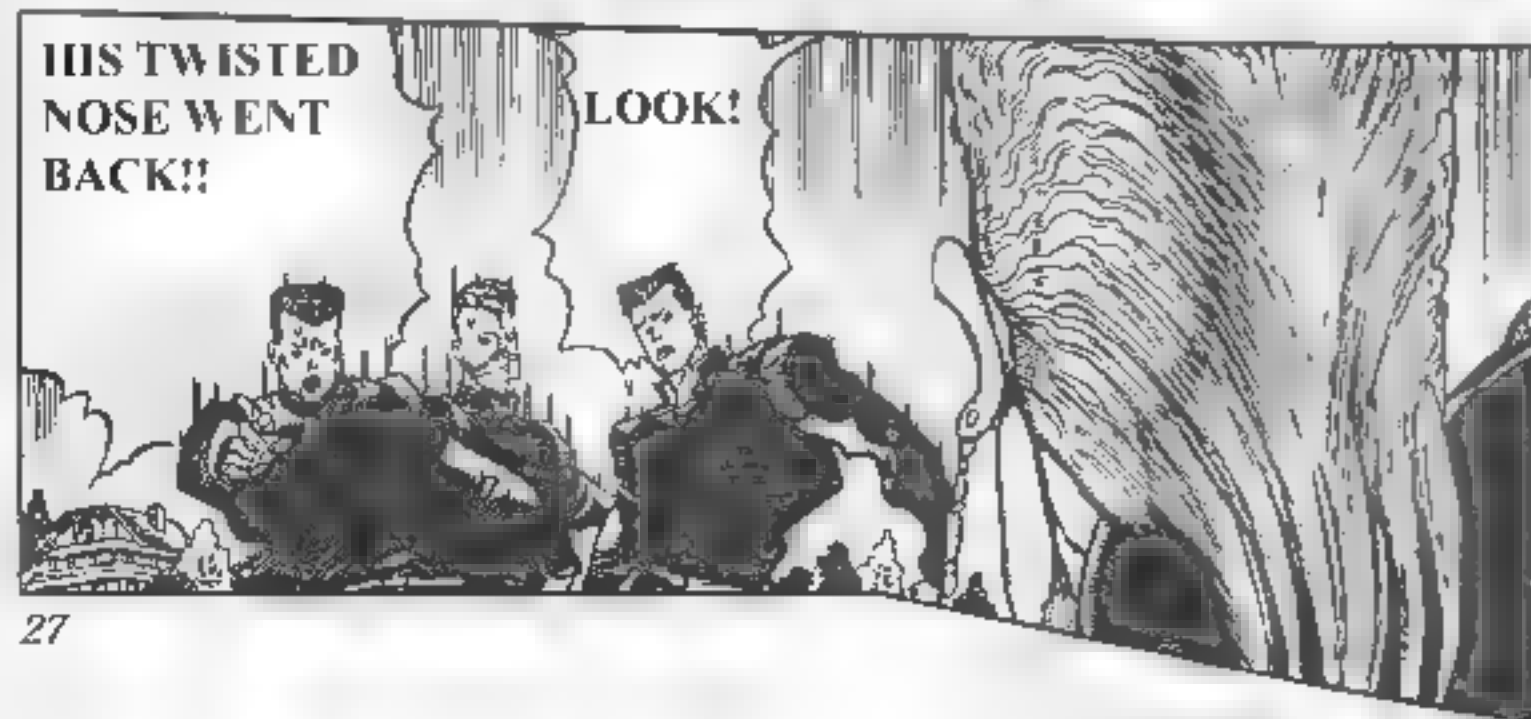

哇——！

呃——！

MY  
NOSE....

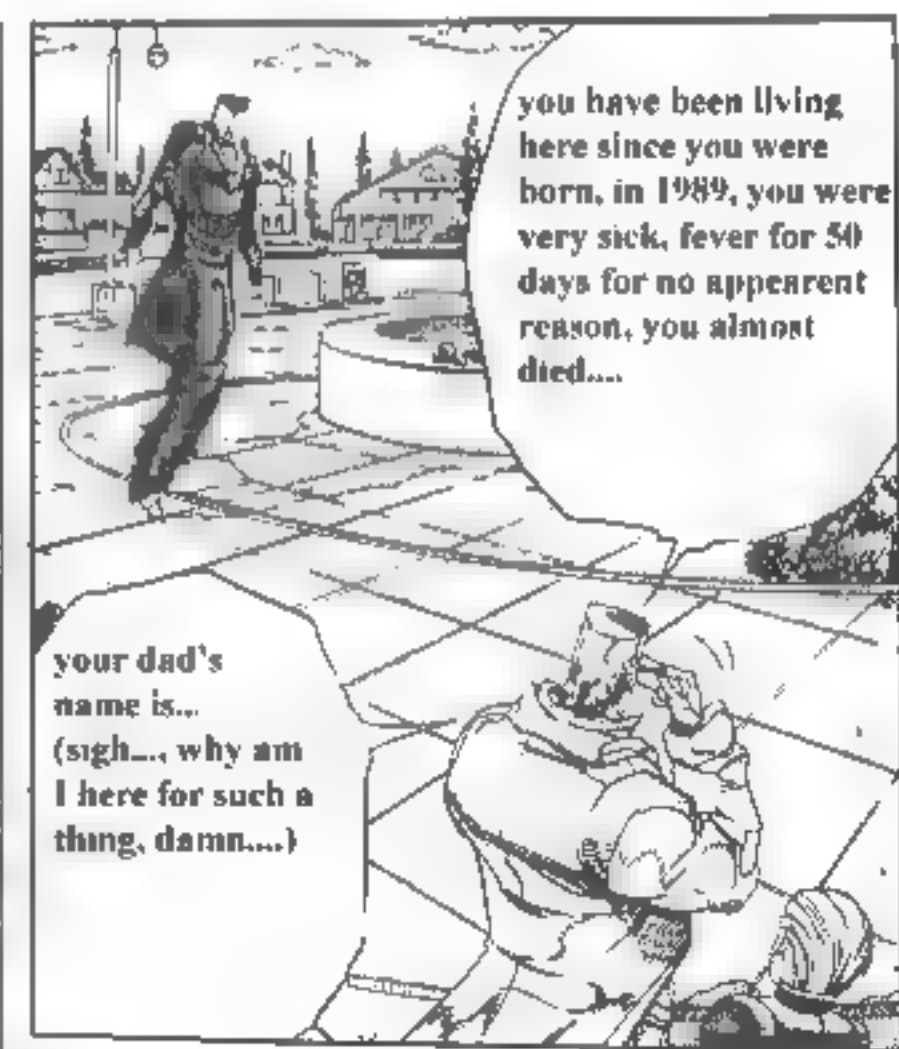

I was just telling Jotaro the way....

But my mom really loves my dad, so they had me, I know about this pretty well.

Just go tell my dad, um... Mr. Josder, don't worry about us, we're alright like this...

nothing, it's just that...

It's not good for the family when something like this happens...

HEY, WHAT'S WITH YOU?

Why apologize all of a sudden?

anyways, you can have 1/3 of all his possessions.

I am here to tell you this, for you, the whole family was in total chaos over the inheritance.

Instead, he is apologizing to me, can't believe grandpa had a son so modest.....

I was originally here to take some punches for grandpa

What's wrong with this guy?

...

I AM VERY SORRY! EVERYTHING IS BECAUSE OF ME, I APOLOGIZE FOR THE PROBLEMS I BROUGHT UPON THE JOSDER FAMILY!!

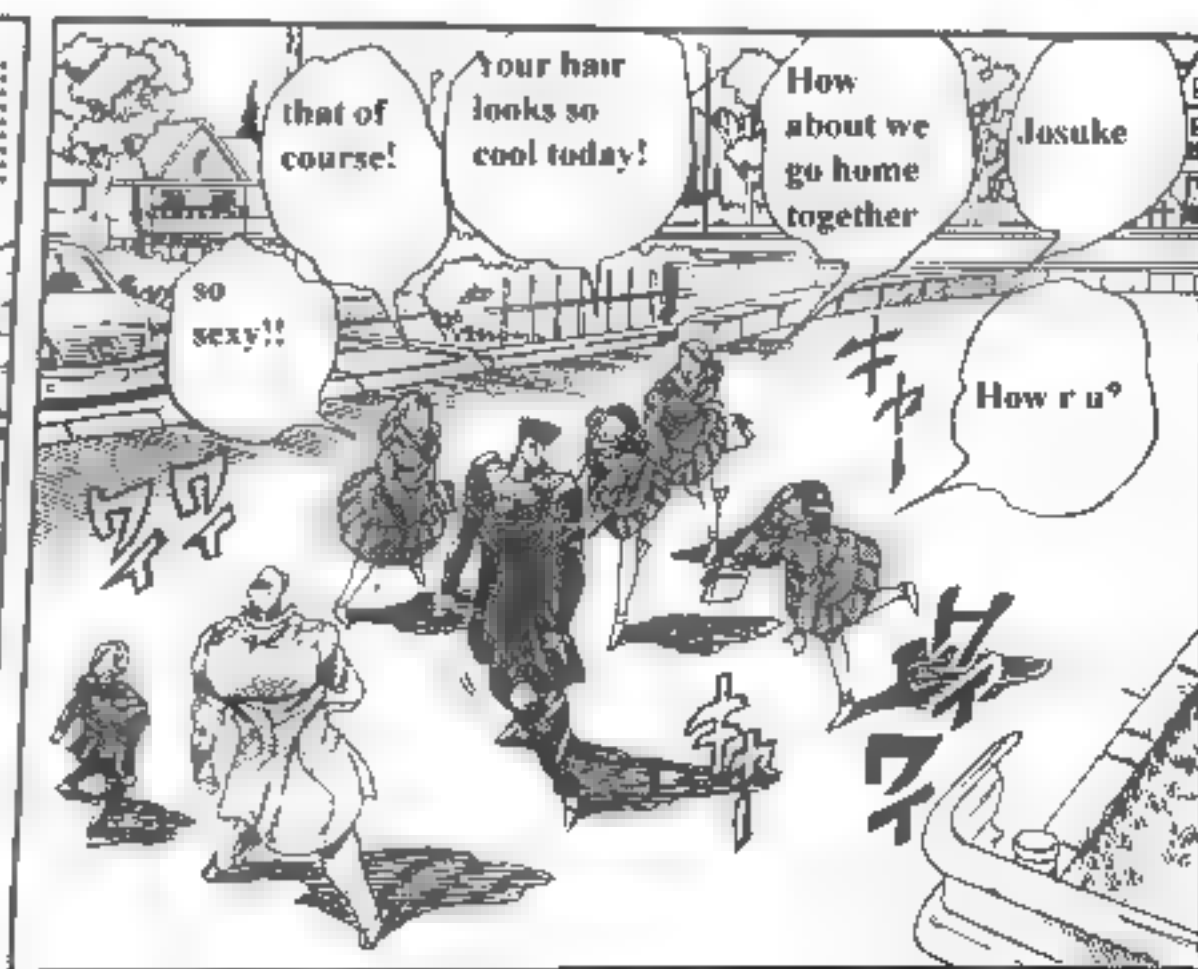

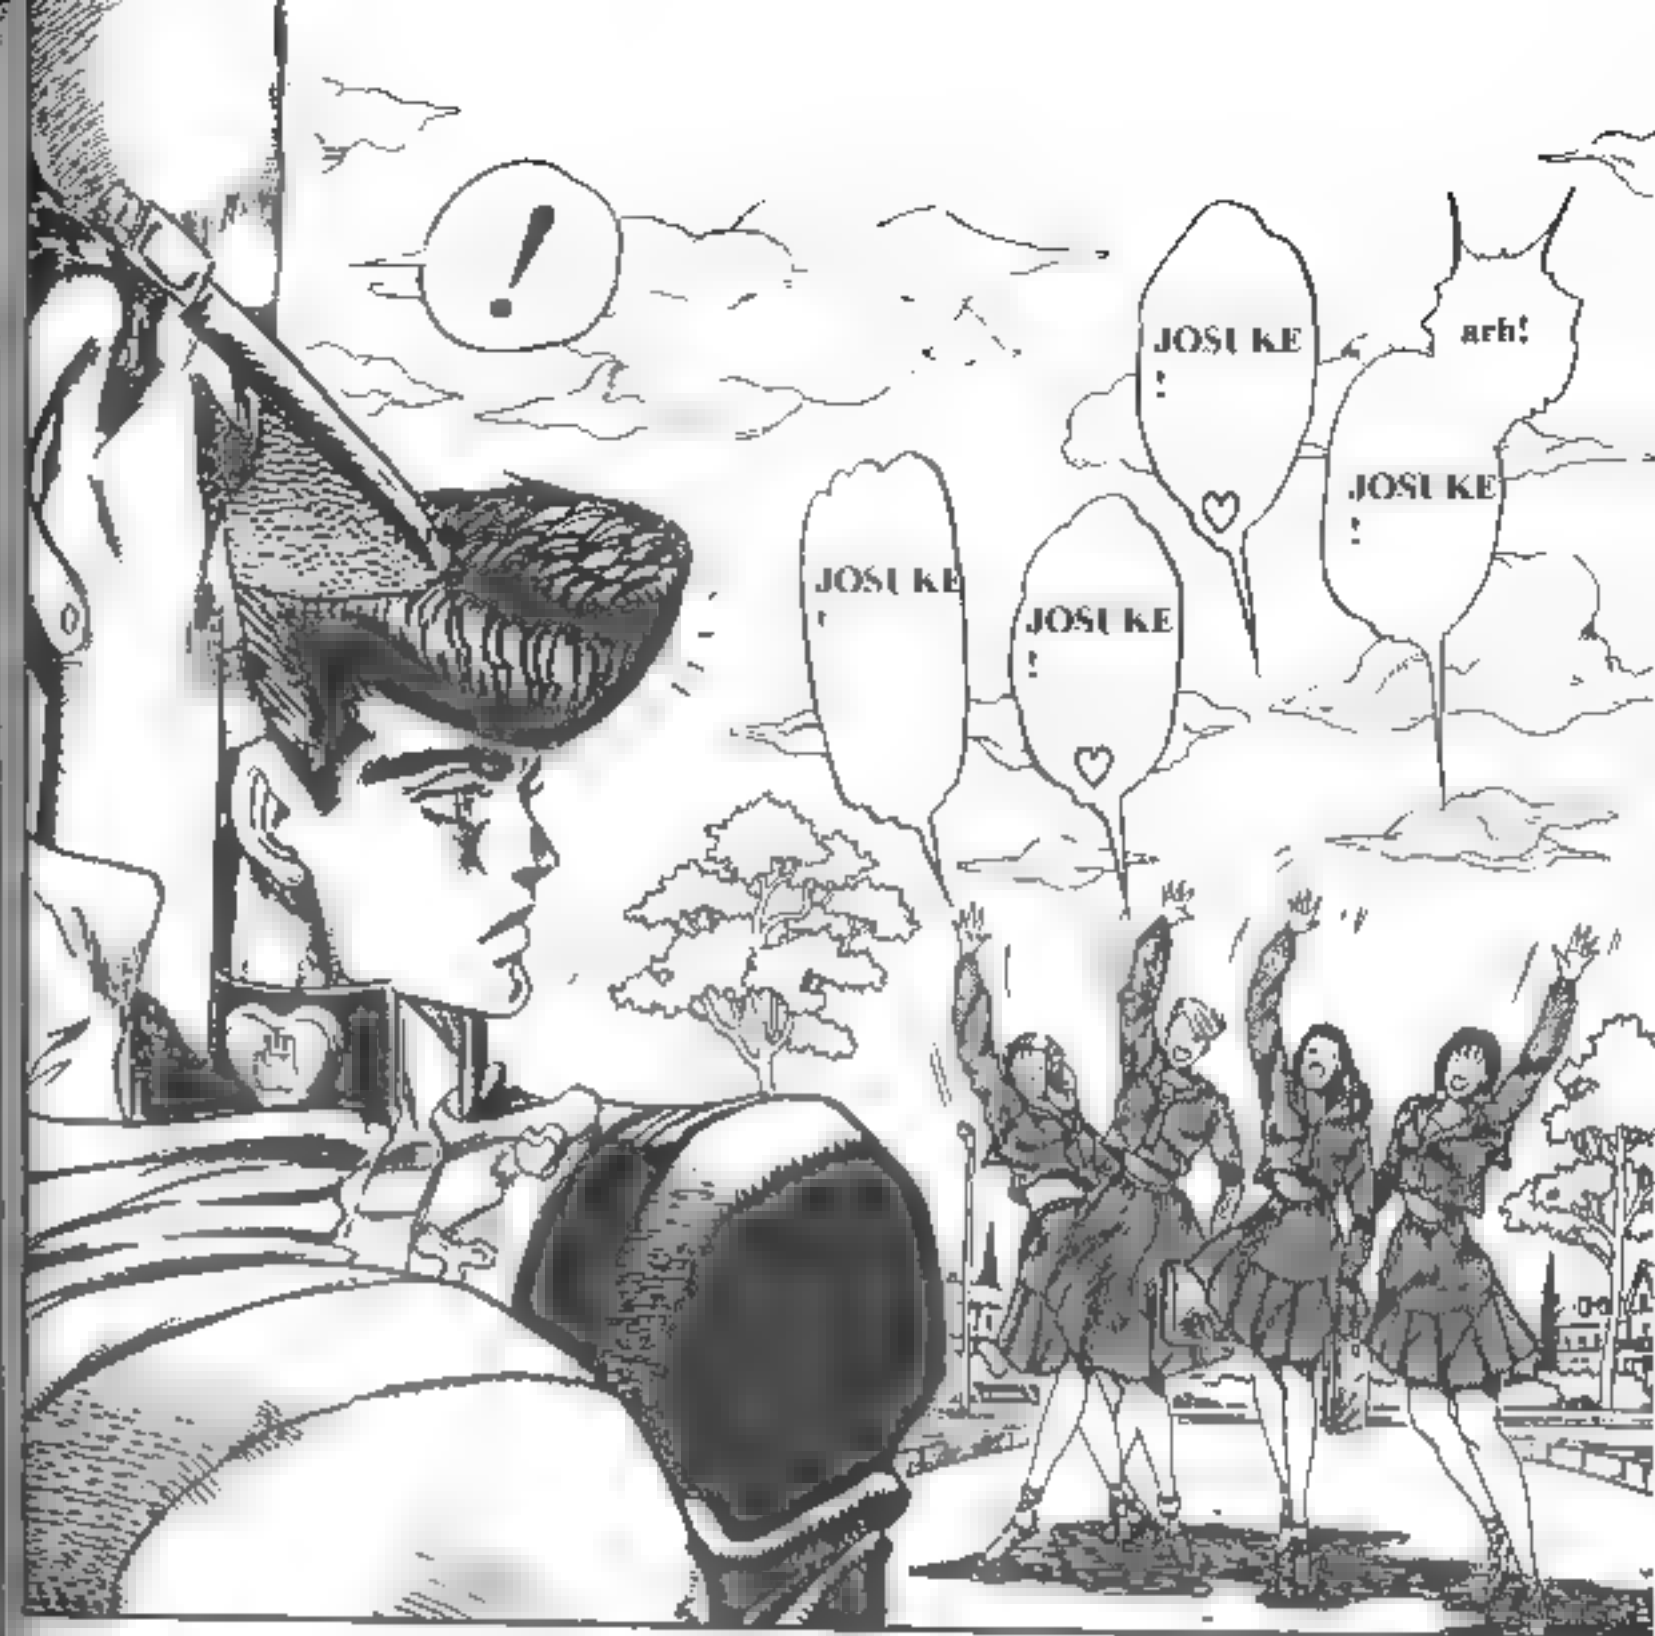

Why not, my grandma Sign Q who has been married to my grandpa for 45 years almost killed my grandpa for this

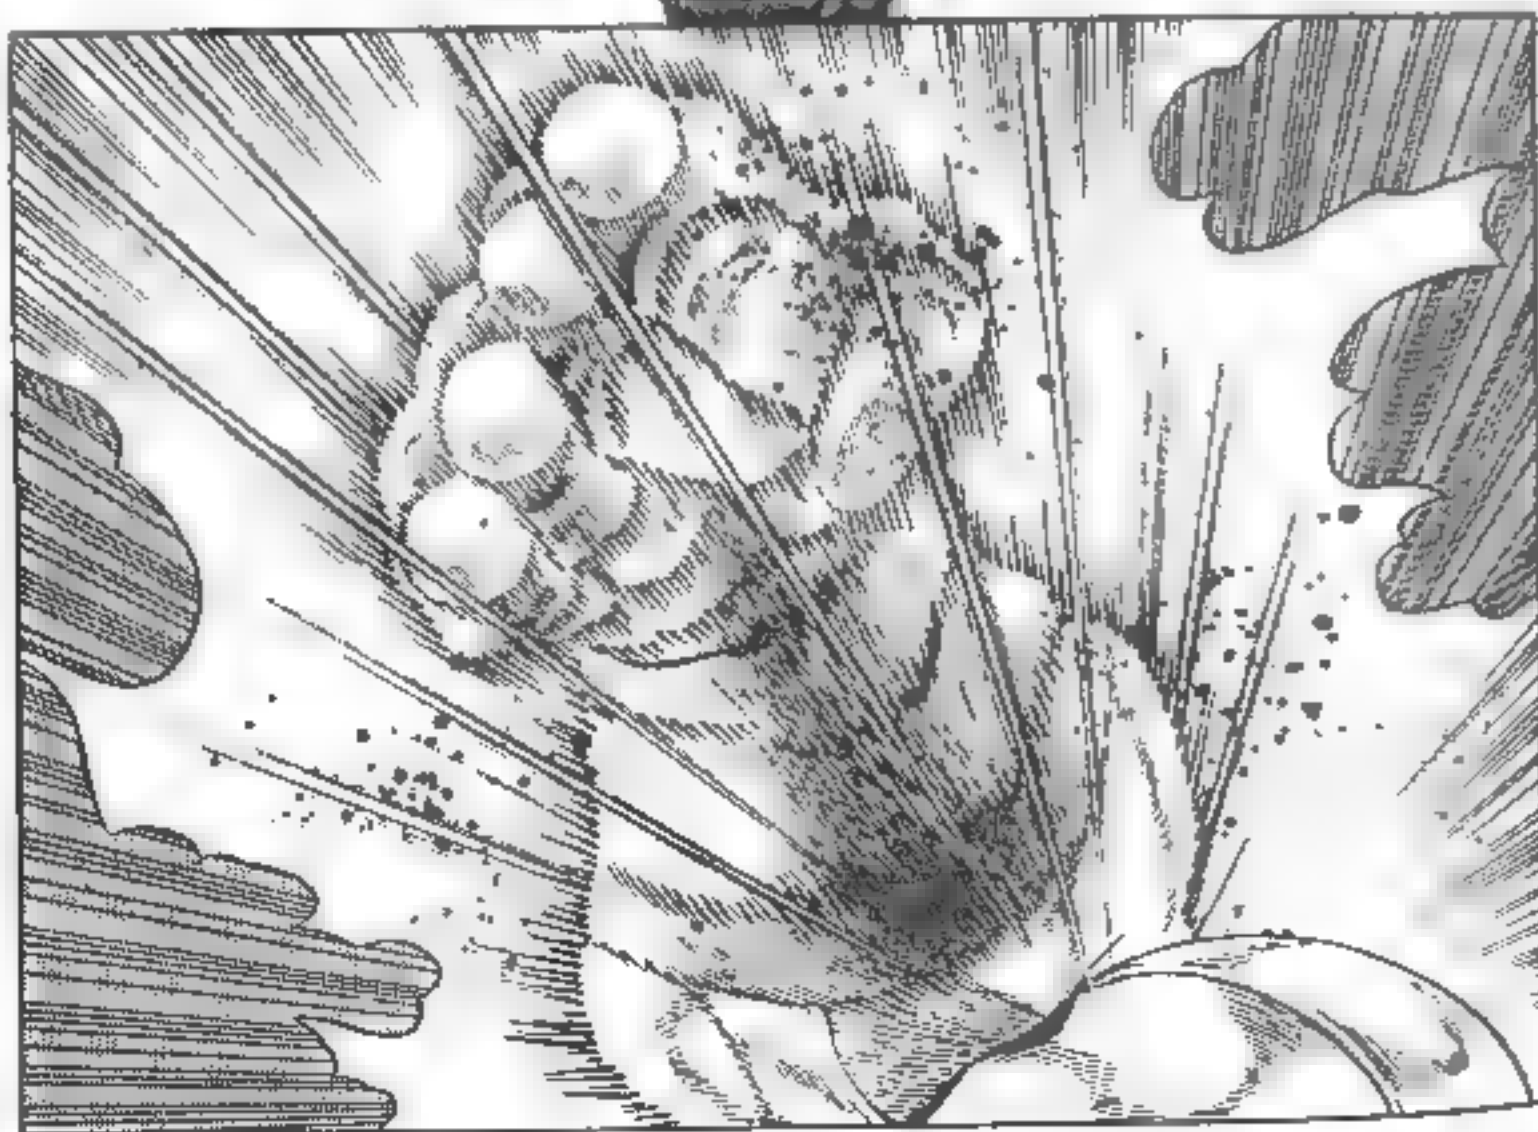

How come?

Chaos?

This is called Stand, even Joseph Josder has a stand of his own, only stand wielders will be able to see stands. And you, have his ability since you were 4 years old.....

You see this?

I don't even know why I am being so angry, but being angry is one of your instinct, and I am just following my instincts.

I won't let anyone talk bad about my hair, not anyone!

Damn!

He didn't hear me

WA-AH!  
WA-AH!

!

!! This is  
Josuke's Stand  
!!!!

YA-AIR!

Sur-  
pressing  
power!!

Can even  
break the  
defense of  
Star  
Platium

If I can't use  
time stop, I am  
not sure if I can  
take him.....

Shit, It's been  
almost 10 years  
since I've used  
time stop.....

Is it changing state?  
his stand can  
restore or change  
the state of broken  
objects, if he had hit  
me in the face or  
head just now.....

This  
hat.....

49

I feel i know  
you less and  
less...

Scary guy, but if  
he's on my side,  
then it will be a  
very strong aiding  
force.

who

?

48

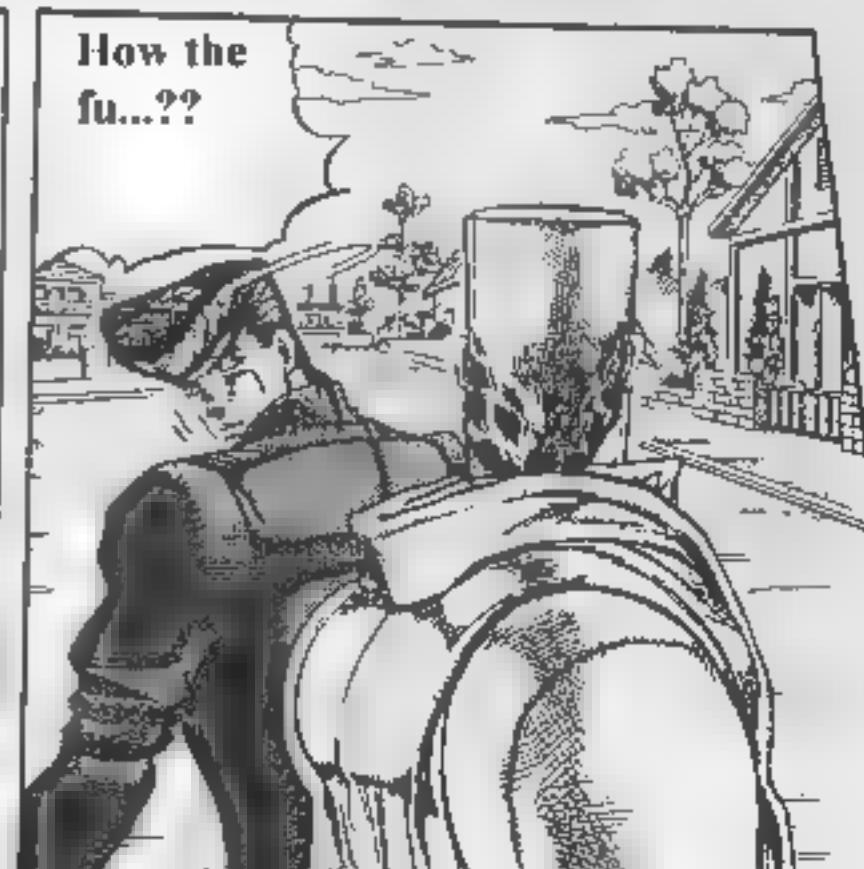

Strange..

What's  
going  
on??

? I  
didn't  
see how  
he....

How the  
fu...??

The other  
is....

I am here to find  
you is for 2 things, 1  
is about the Josder  
family, that you  
already know, the  
other....

Josuke!

And the threat  
has been  
drawing nearer  
to you.

There's  
something  
hidden in  
this town.

This picture is  
taken by  
grandpa's stand,  
the mental image  
of your school.

Look at  
his  
picture....

啊  
!

Al-

Women  
screaming  
makes me  
mad!!

QUIET!!

## 之其③

I will be staying  
in the Hotel till I  
find this guy!

But if you do see  
this guy, don't get  
close to him,  
reporting to the  
police won't do any  
good, hear me?

Koichi, you  
might not  
understand  
this.

Josuke, your  
power is very  
dangerous,  
don't use it  
unless you have  
to Ok?

See you  
tomor-  
row!

.....

Who's this  
guy after  
all?

Wait!

Be careful.

It might have  
nothing to do  
with you, but  
you better know  
about this...

He ended up  
showing up  
on the pic

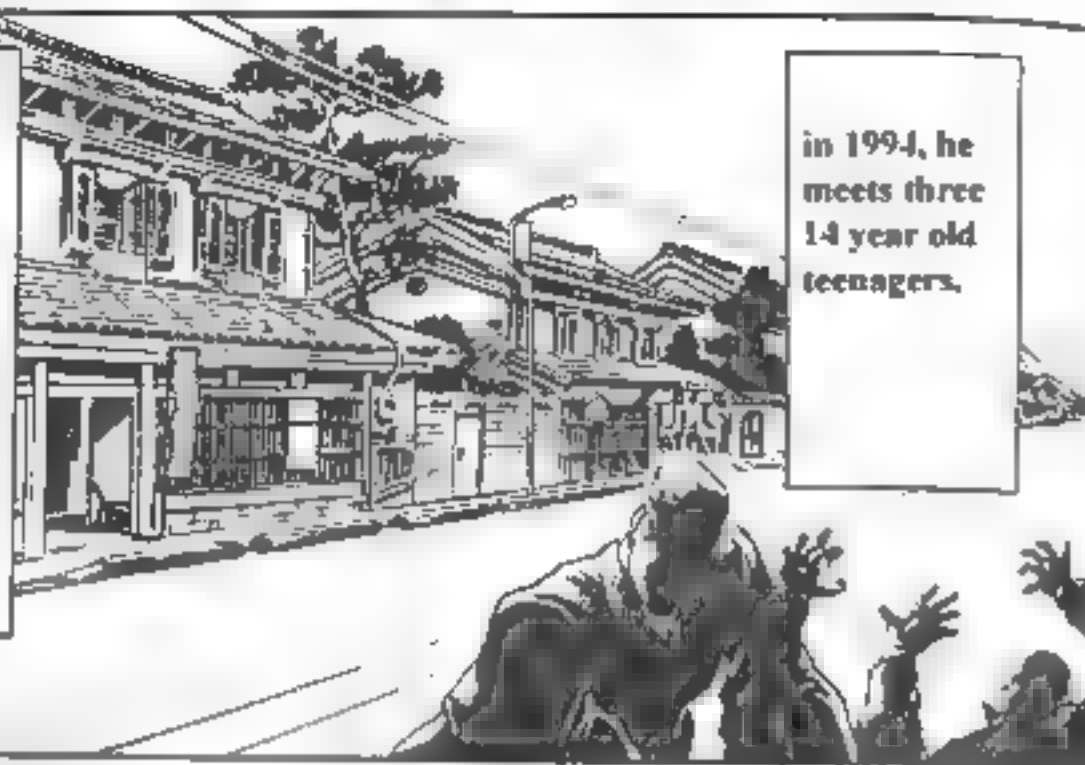

Grandpa  
was gonna  
take a  
picture of  
you.

Maybe this  
guy has  
more stand  
power than  
Josuke....

Last crime done even the rats in the toilet will puke because of its sickness nature.

He raped and killed 2 of the teenagers, robbed them of their valuable possessions. When he was trying to kill the 3rd teenager, he found out that he is the only son of a very rich man. He changed his mind into threaten the family for ransom.

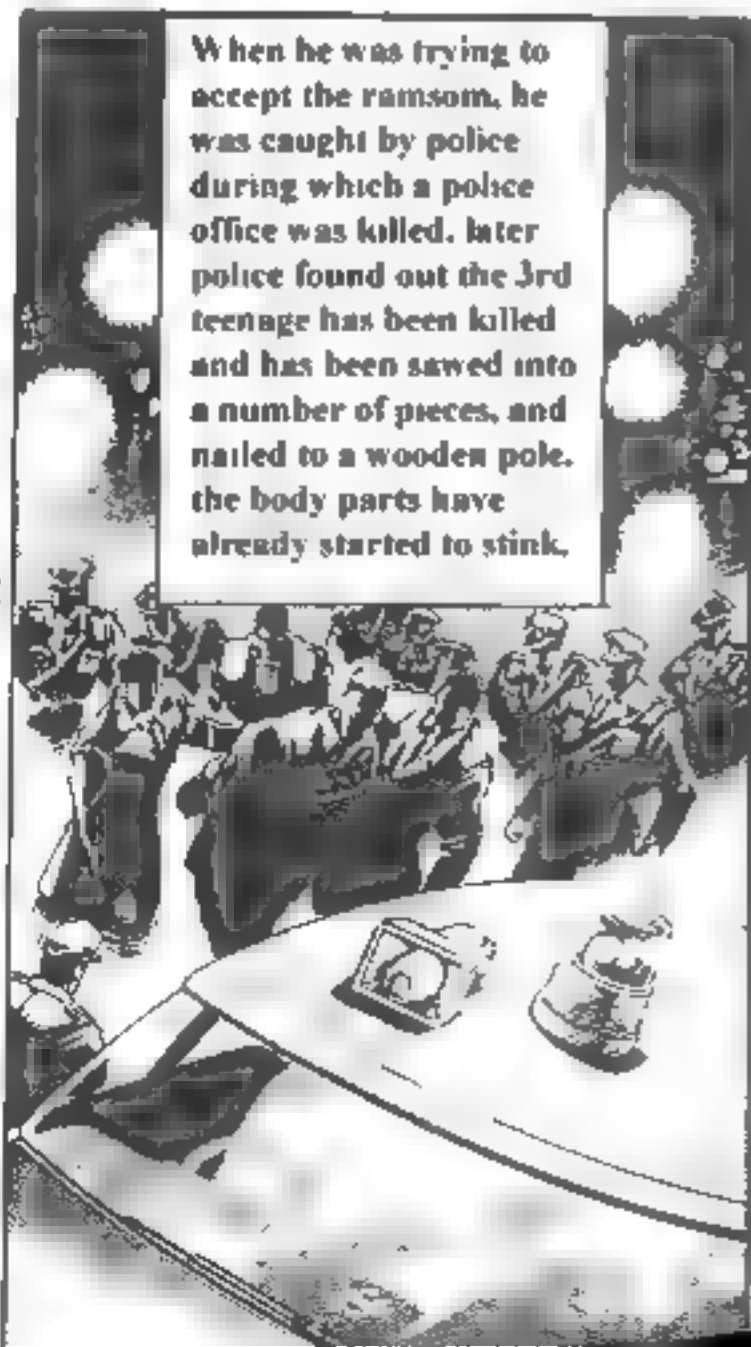

in 1994, he meets three 14 year old teenagers.

October last year, he was hanged, but after 20 minutes on the rope, Angelo still lives, therefore the execution was rescheduled ...

last year 1998, something strange happened....

When he was trying to accept the ransom, he was caught by police during which a police officer was killed. later police found out the 3rd teenage has been killed and has been sawed into a number of pieces, and nailed to a wooden pole. the body parts have already started to stink.

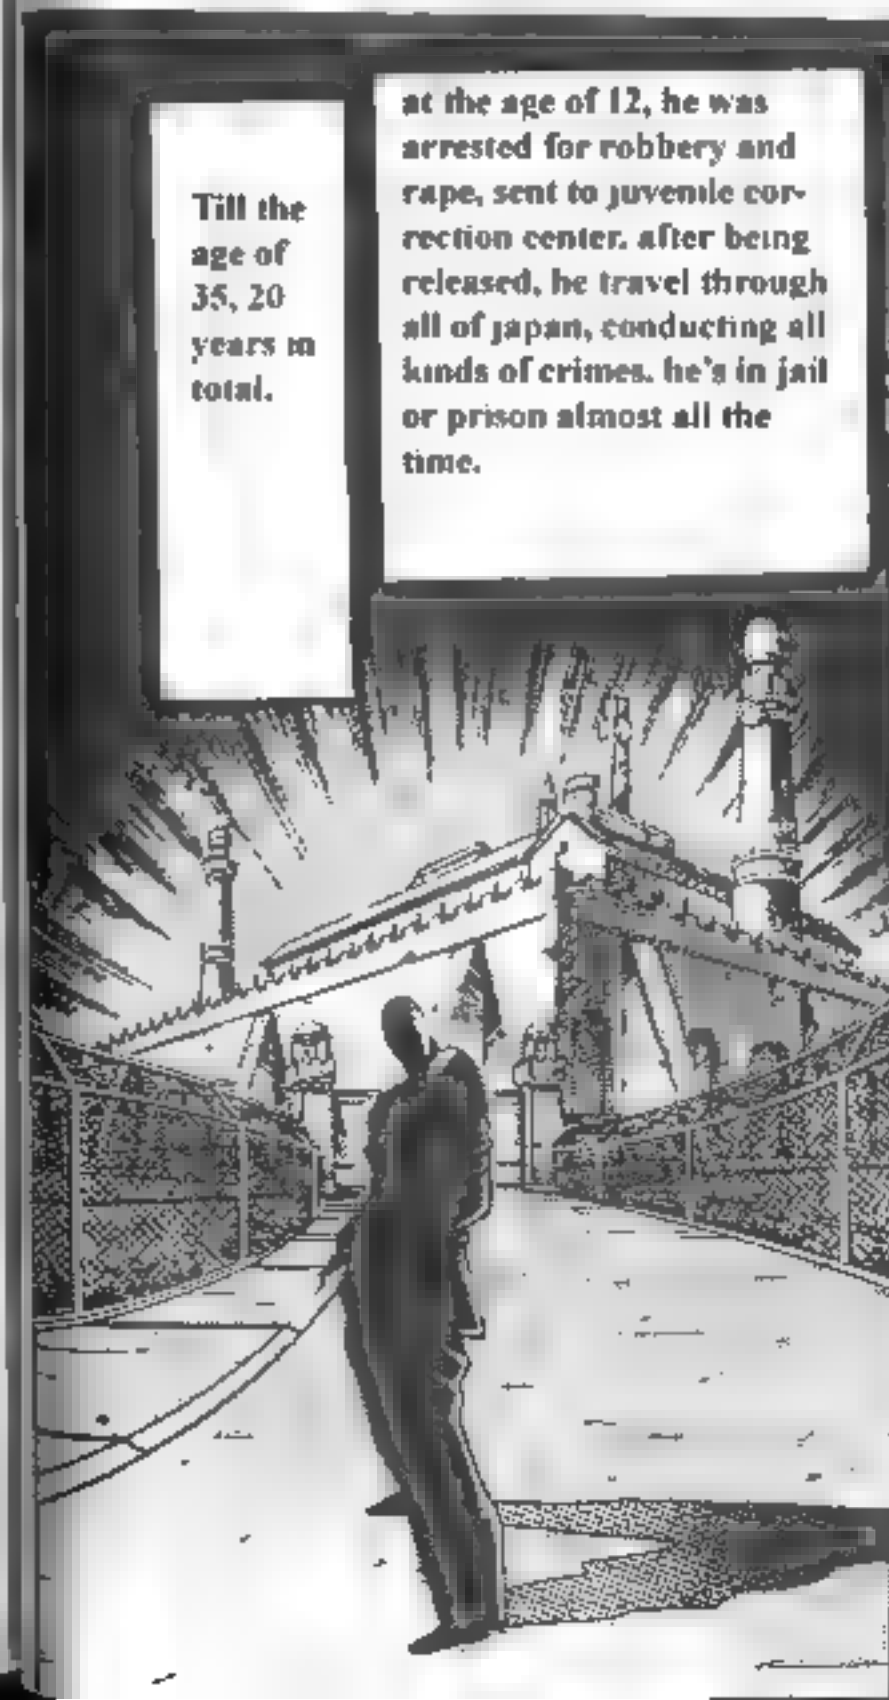

I hope he is not linked to Josuke by any way.

Thanks for the business

not a problem

Appreciated

It's no big deal

no thanks

you wanna wash your shoes?

I am leaving now

FUCKING BITCH!!

why is the cover of the can broken for this one?

sorry to mention this but...

oh, ok

I am just a temporary worker

right

sorry, but I want a new one

Of course it is...

really....

It's really broken. I am not kidding, right here....

oh, really?

Will stay in  
which room?  
How cozy of  
a home....

That  
Josuke...

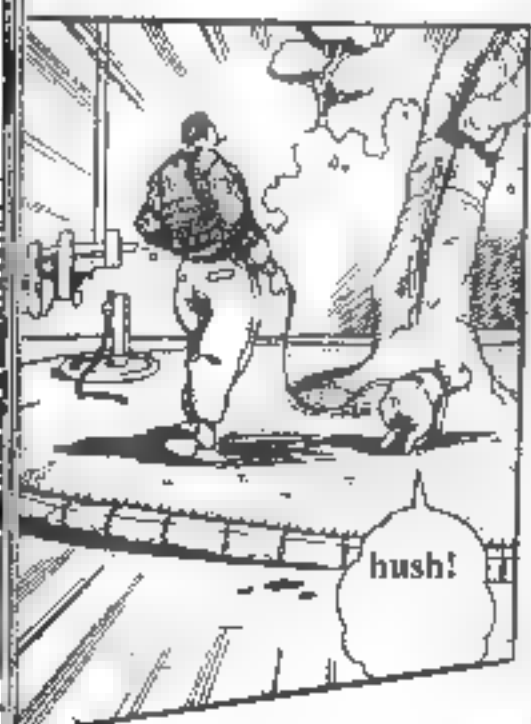

with a mother  
so sexy, make  
people  
jealous....

81

I hate it when you  
walked outta the  
crowd yesterday and  
ruined my plans.

I swear I will ruin  
your mind and life  
complete....

hush!

I love to termi-  
nate people like  
you, heh heh....  
feels the best

this women is really  
careful, if Josuke drank  
this milk, then....

My stand [silver  
chain] will be able to  
get into his body!

WAH!!

You really can shut!

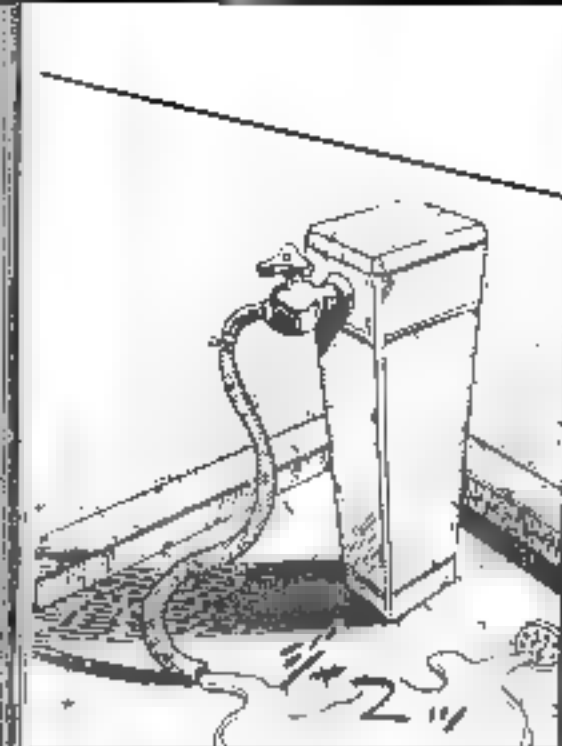

(bark)

I want to shut again!

!?

will all be terminated  
by my stand!!

heh....

**YOU  
REALLY  
GOT  
BALLS,  
MOTHER-  
FUCKER**

(Mumbling)

You the one  
that doesn't  
clean the shit  
after your  
dog

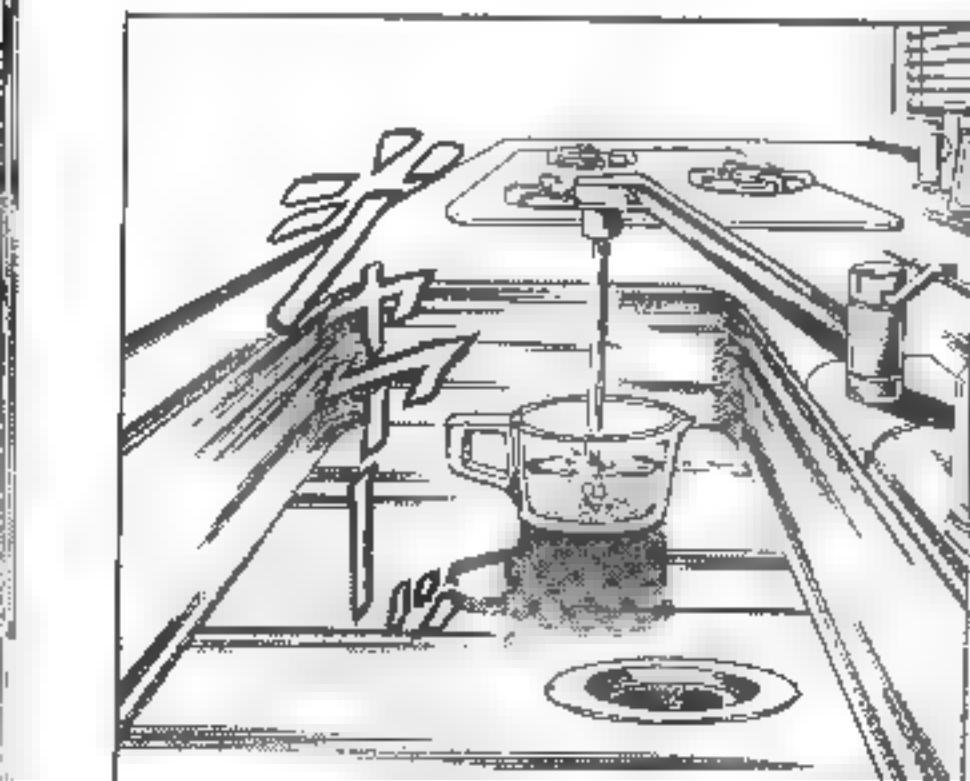

Plus throw-  
ing cigarette  
butts all  
over the  
place...

(gagging)

**YOU THINK  
YOU OWN  
THIS PLACE  
OR WHAT??  
HUH??**

people  
like  
you...

heh heh...

but it can be remotely controlled, it's the kind that can enter people's bodies

that stand is really weak.

damn, can't get my hair to look right...

no, not really...

the guy in the picture

My mom is very strong, but she still loves my dad, if she thinks about my dad, she will cry, and if she sees you, she will know that you have something to do with my dad.

somewhere  
around your  
house, watch-  
ing you right  
now!!

Don't underesti-  
mate the ability  
of the stand,  
even inside the  
bottle!

This kind of stand can  
transform into anything  
coffee, milk, any liquid  
..... maybe can't be  
killed by brute force.  
watch him carefully  
before I get there!

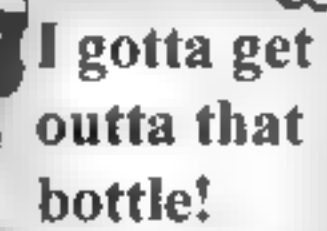

## Josuke meets Angelo

之其②

following  
is special  
report

Mom's in the  
kitchen, you go  
play with her,  
go on!

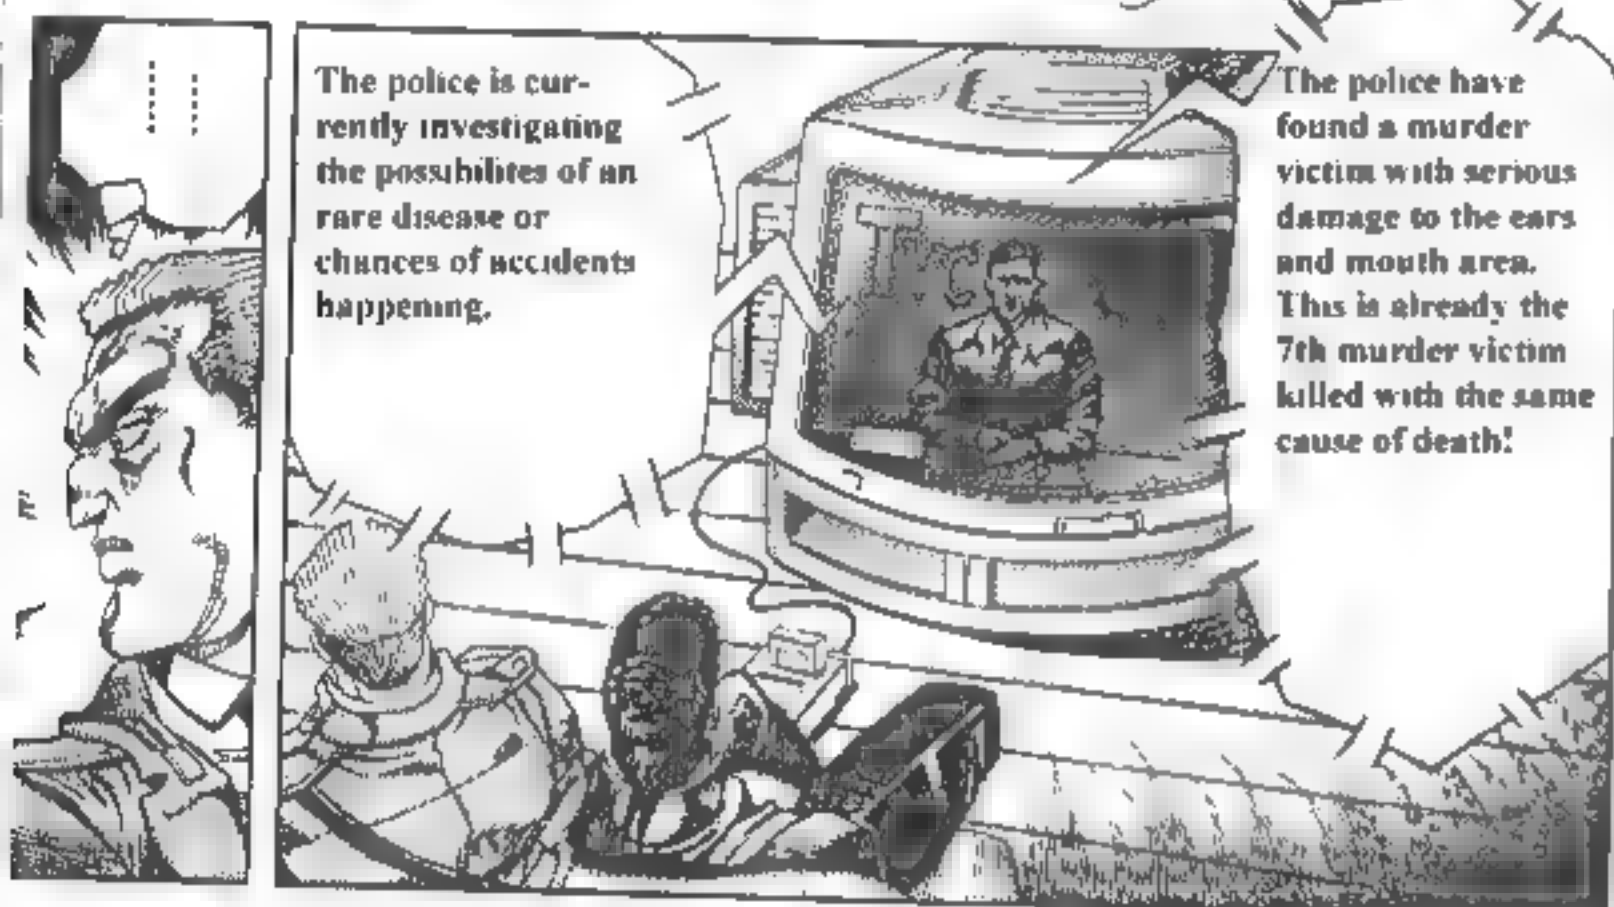

beb...

Look, you  
are so  
scared, did  
you piss  
your  
pants?

beb heb....  
stupid.... this  
is a fake gun....

beb.

hmm

The police is cur-  
rently investigating  
the possibilites of an  
rare disease or  
chances of accidents  
happening.

The police have  
found a murder  
victim with serious  
damage to the ears  
and mouth area.  
This is already the  
7th murder victim  
killed with the same  
cause of death!

101

I feel suspi-  
cious....

some serious  
criminal has  
came and  
bidden in our  
town...

???

This is the  
7th already

HE CAUGHT ME  
WHEN I WAS 12,  
EVEN TILL  
TODAY, HE'S  
STILL A STREET  
COP, HAH!

Ryohei  
Wagashikata

I know  
everything  
there is  
about you!

THEY HAVE  
THE SAME  
FAMILY NAME,  
OH I SEE, THIS  
IS THAT COP'S  
HOME!!

Ryohei

That cop!  
I remember very  
well, that cop....

Little  
Josuke,  
how did  
you do in  
school?

Don't  
Move!

100

I... um...am  
waiting for  
someone, he  
will be here  
shortly!

shut up and  
answer my  
question!!

Grandpa!!  
How can you  
bring the gun  
back home!?

you have to  
drink some  
brandy to  
relax a little

Ryohei, I know you  
too well, everytime  
you work over-  
night.....

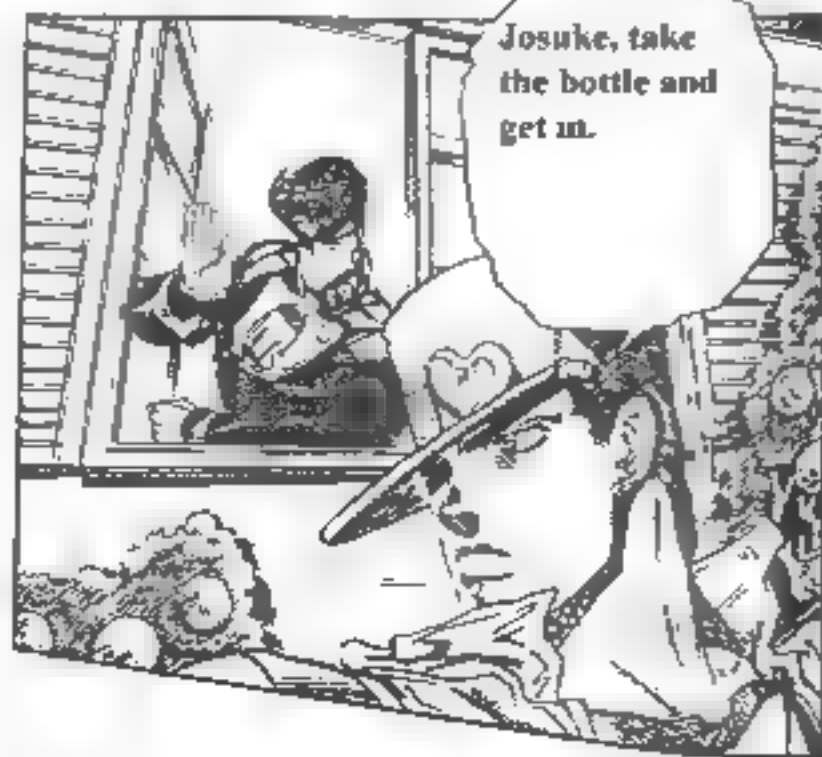

103

Find a place  
where nobody is  
around, then.....

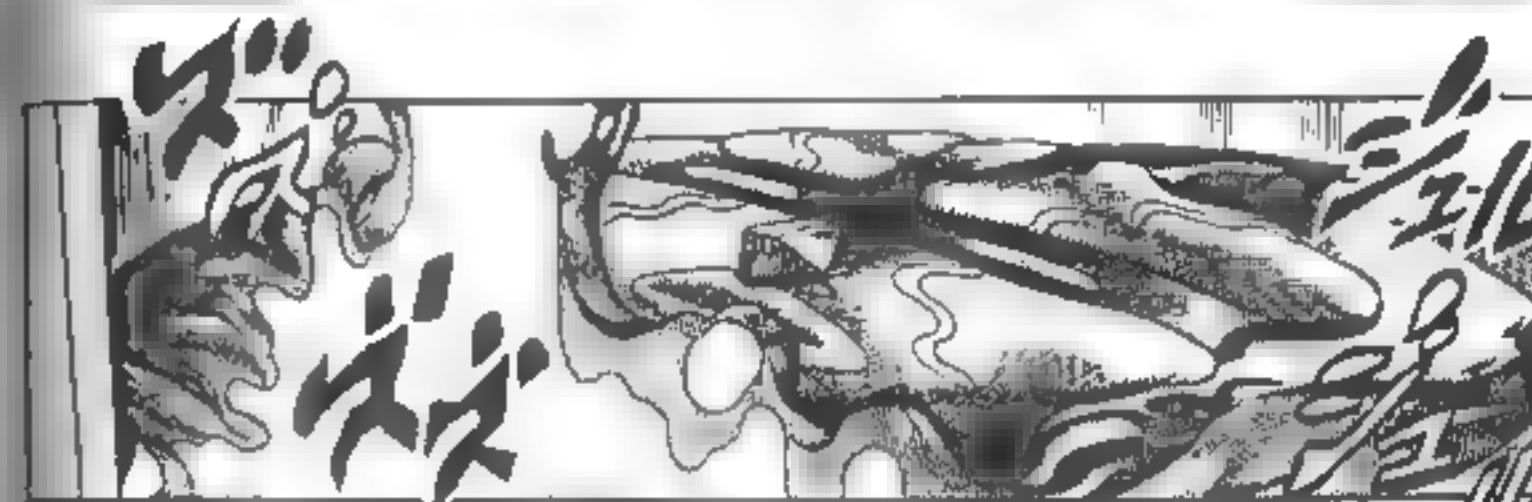

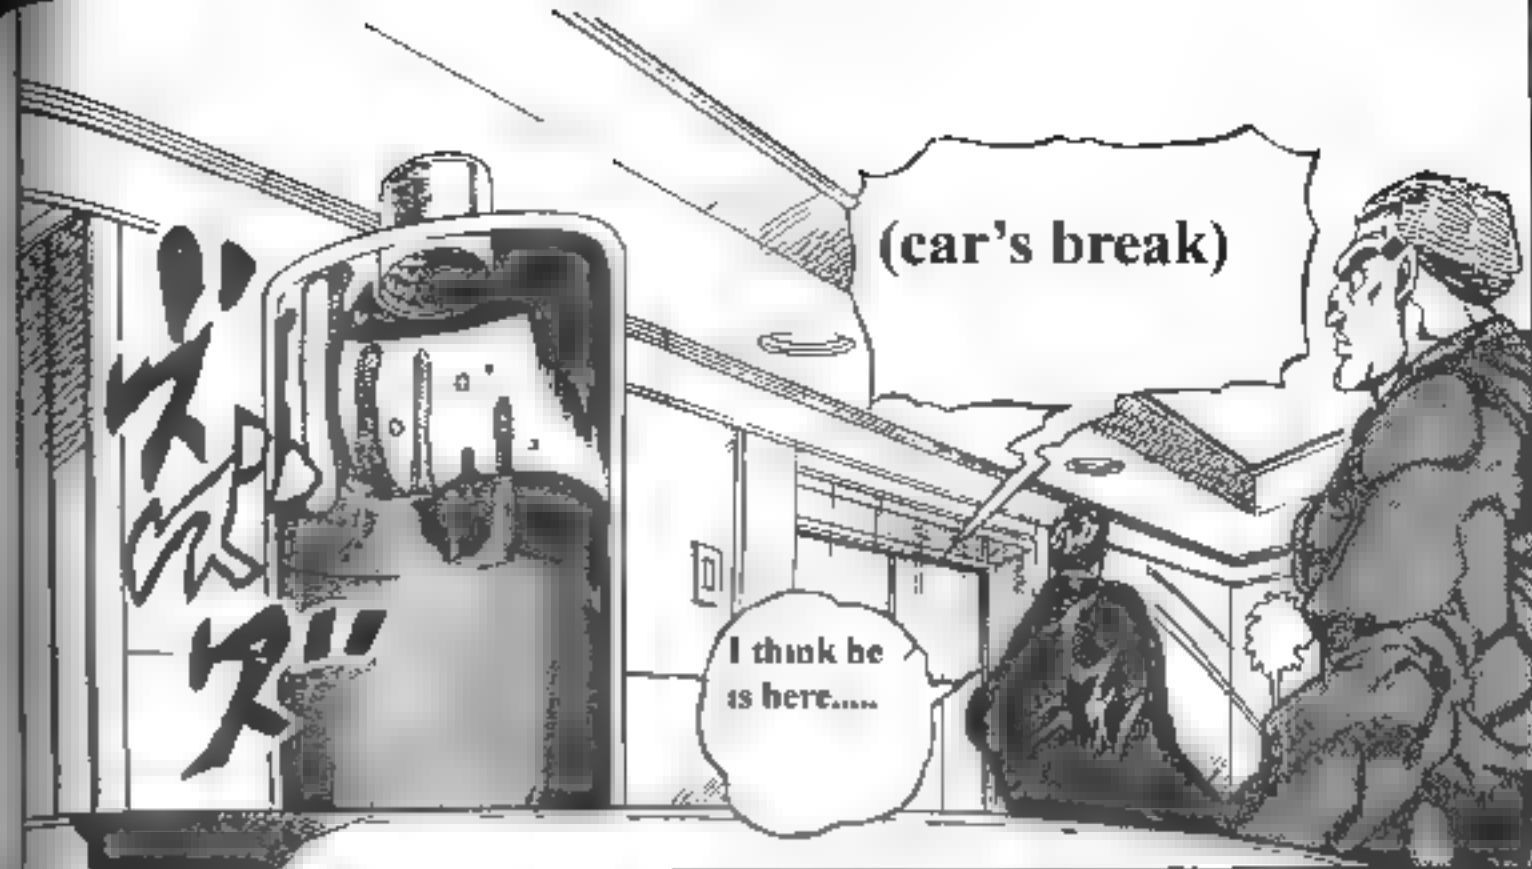

Josuke, take  
the bottle and  
get in.

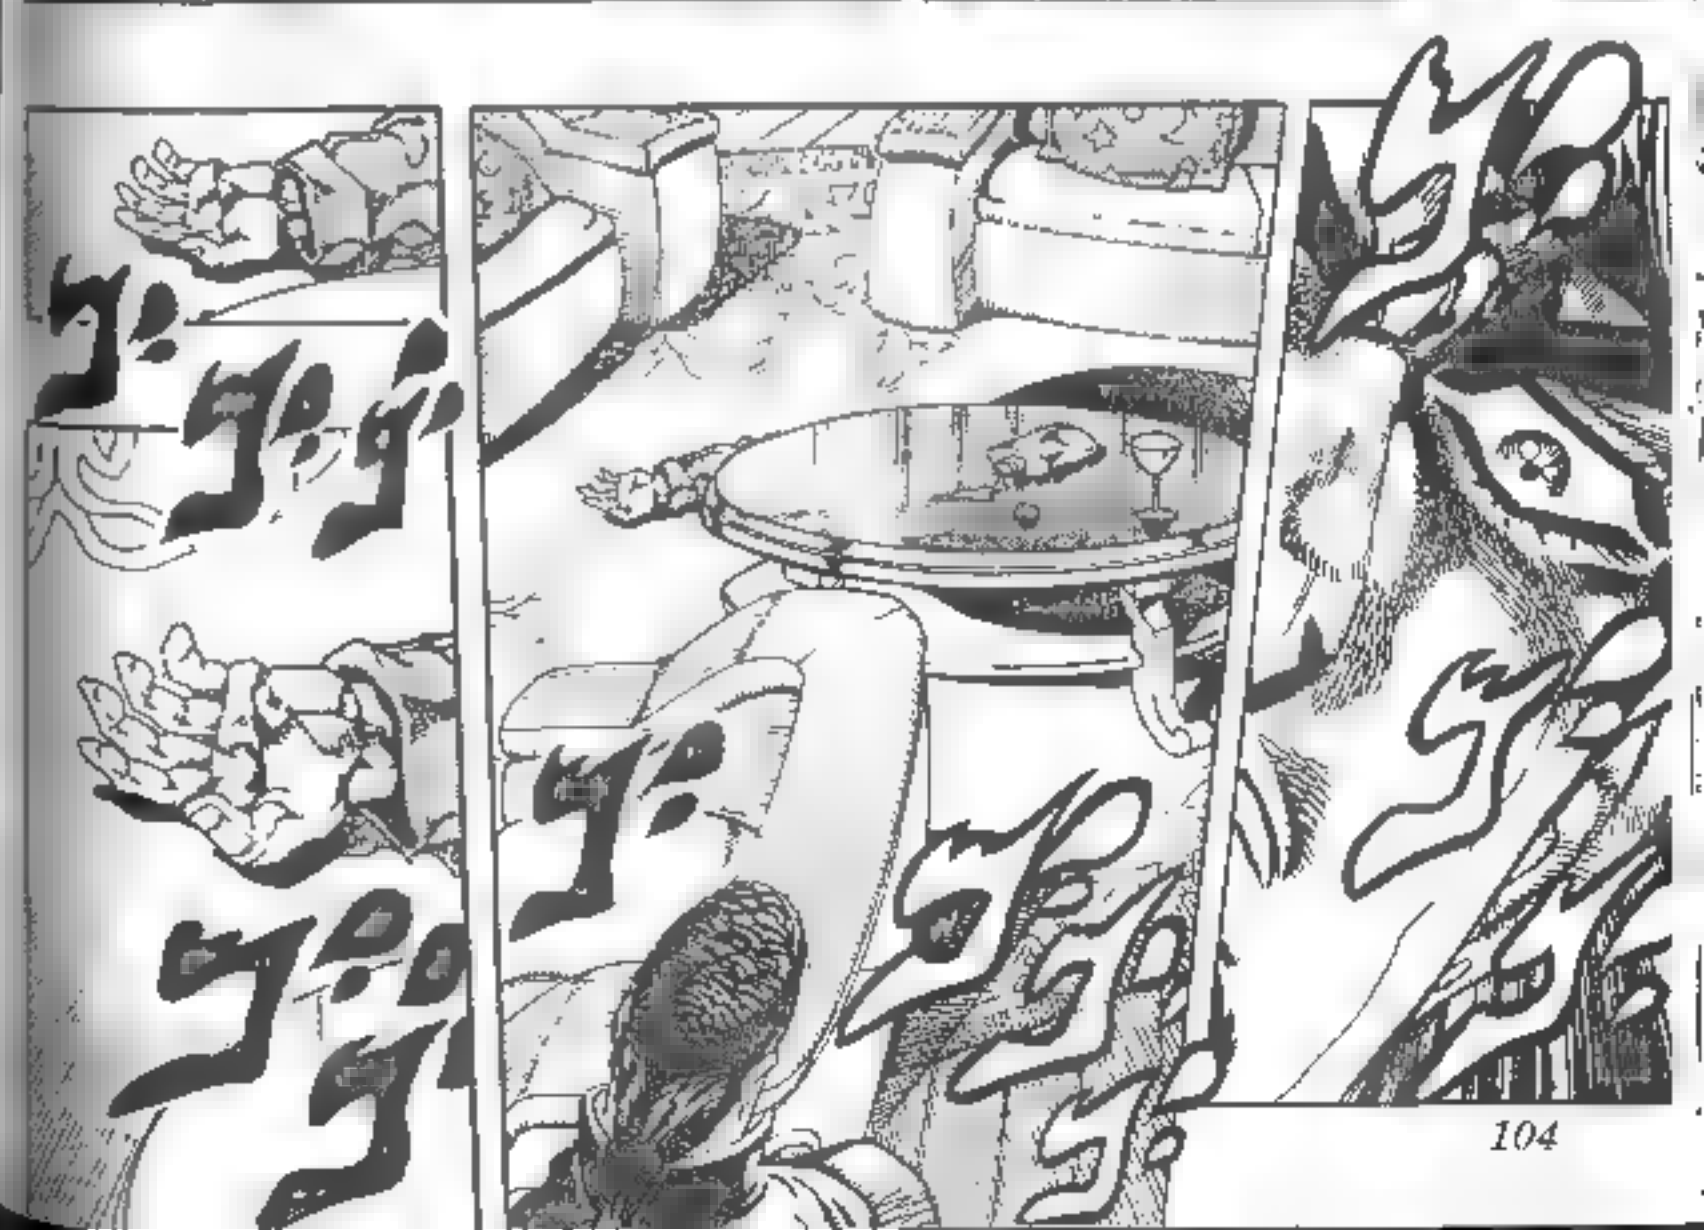

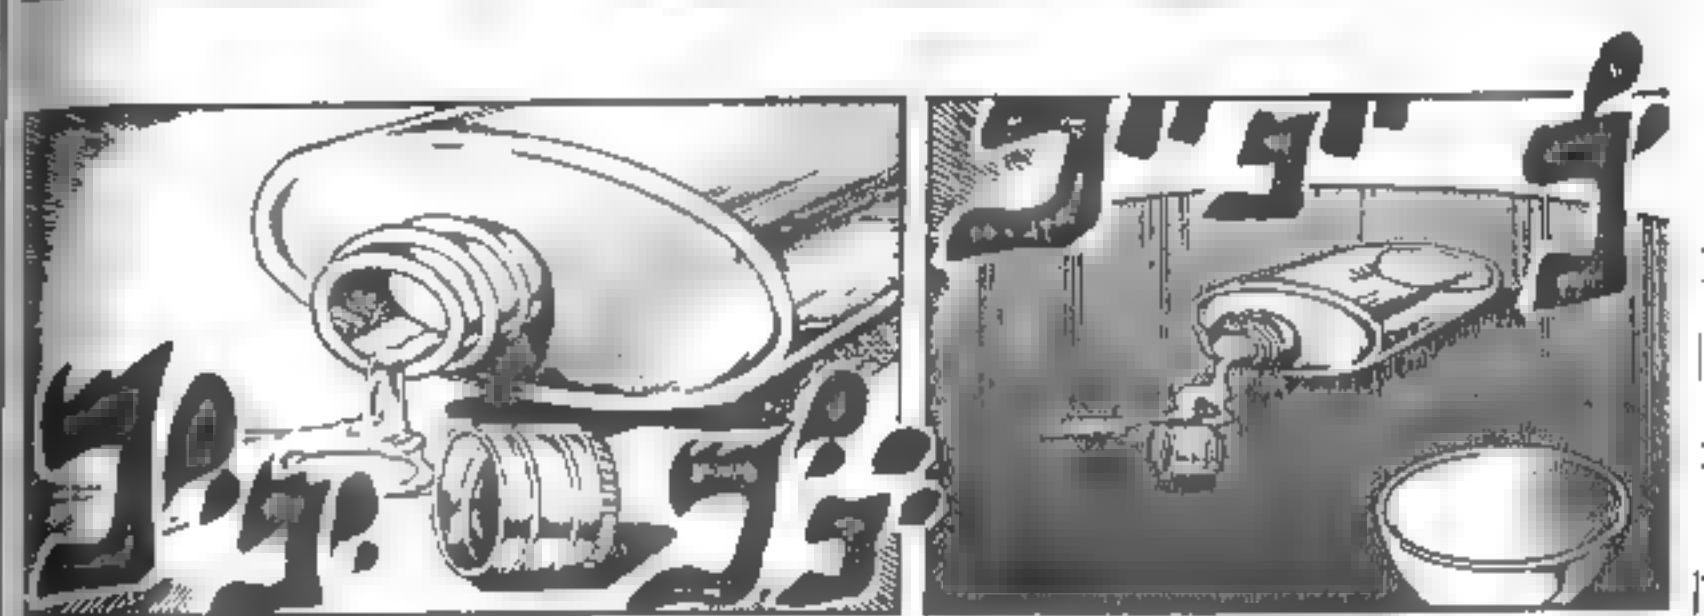

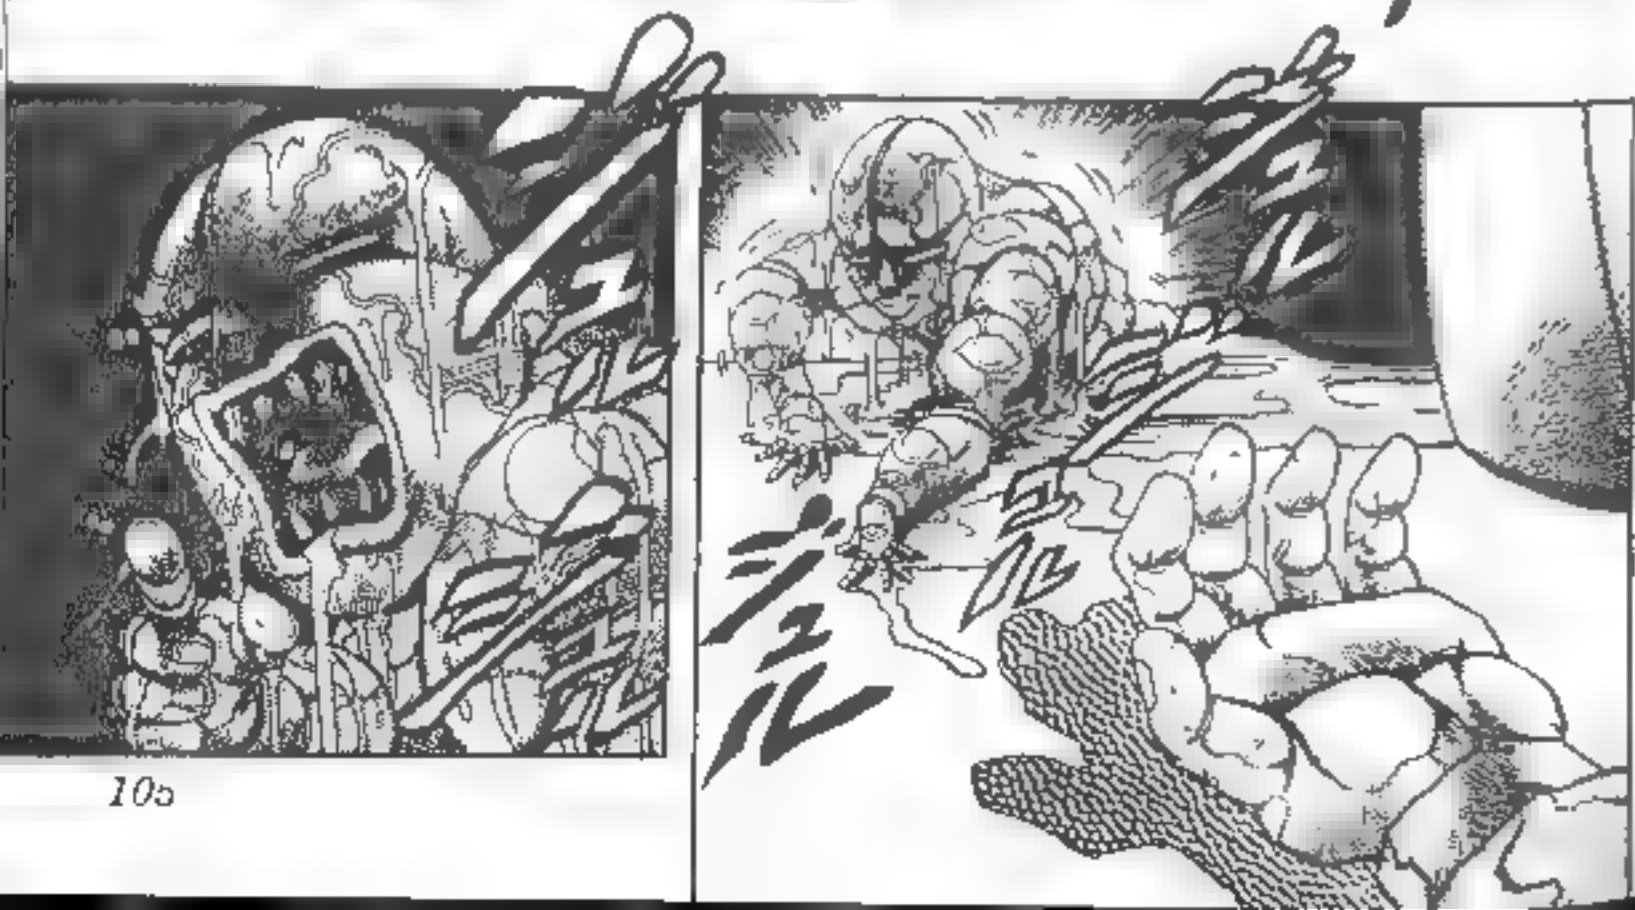

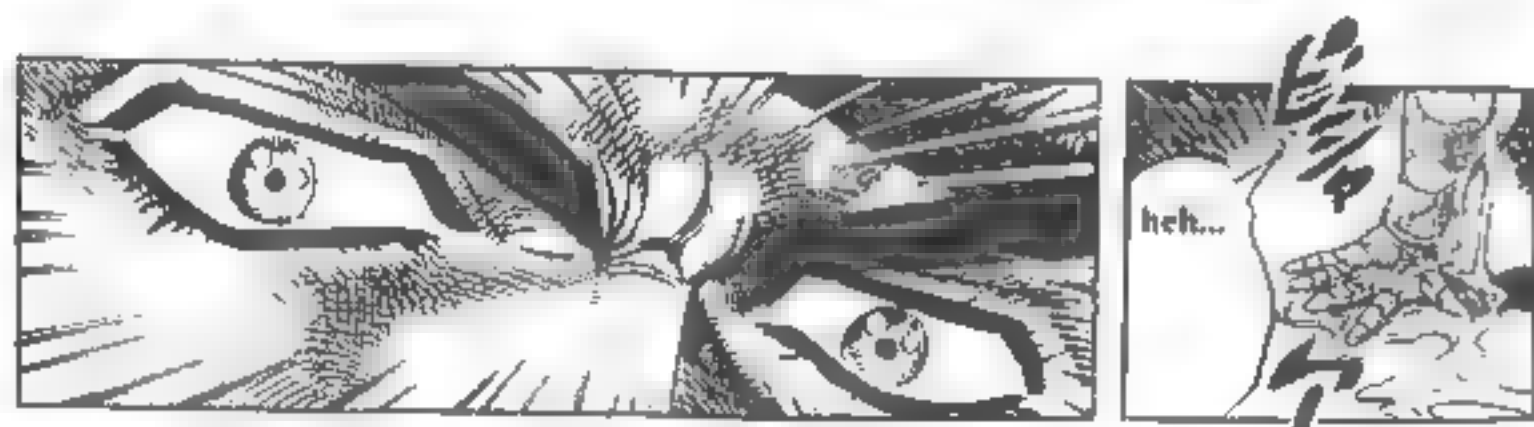

(car's break)

I think he  
is here.....

102

！ 呀 阿

3/2/12

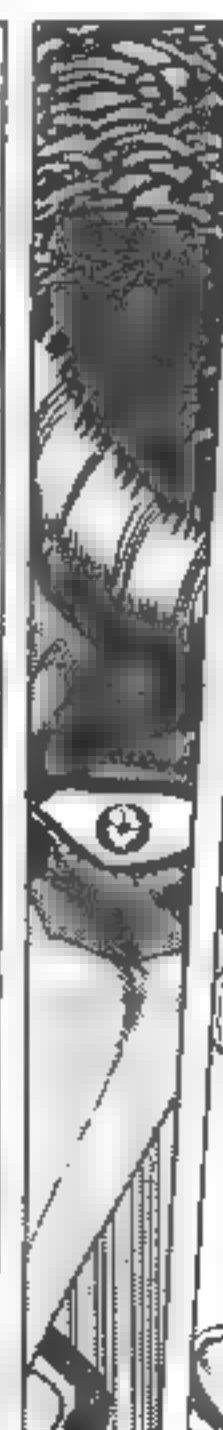

You dare to challenge me? heh heh...

Everytime I see someone like you being so desperate

Jusuke Higashikata

It's all your fault, you shouldn't have diverted your attention on the bottle...

196

I feel SOOOO, good.... heh heh heh heh....

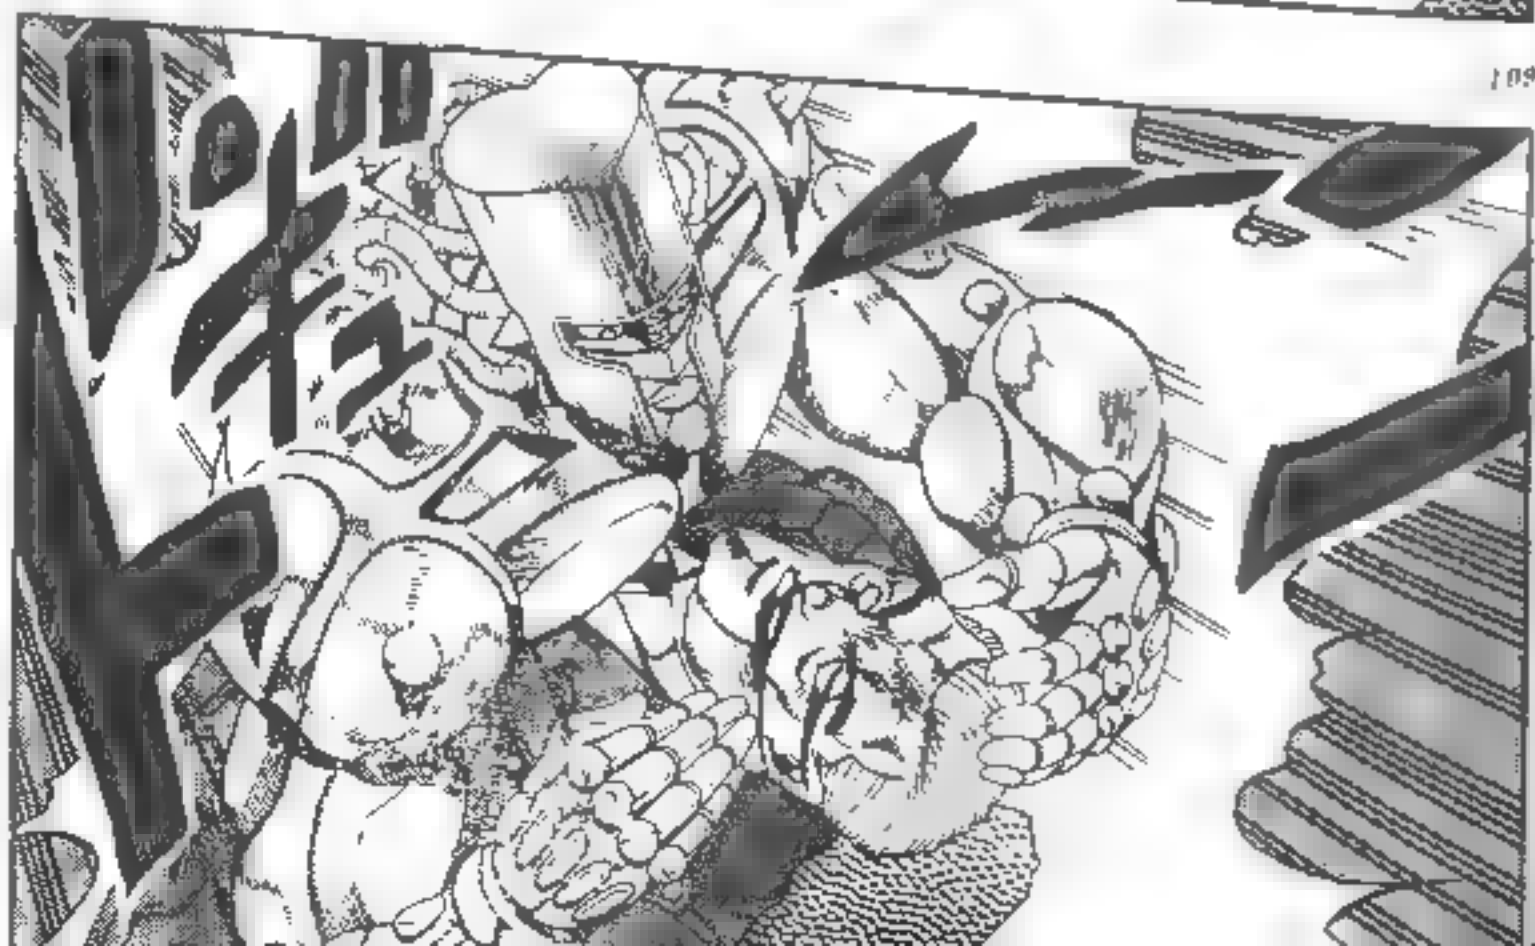

ゴキウゴキウ

My  
grandpa  
opened the  
bottle...

No  
worries,  
these  
little  
wounds  
are  
nothing

I WILL HEAL HIM  
WITH MY STAND!

109

so... very  
powerful...

You got balls,  
I will be back  
for you!

108

josuke

NO!

H!

maybe you are too tired from working over-night, fell in sleep\*\*

hey grandpa, don't be pretending... wake up already!!

GO

He's healed...

it's done!!

not any stand power can...

So your power is the most loving and gentle power in the world...

Human is the species that lives to destroy other things....

but there is no way to bring back lives once they are lost....

my stand can heal...

should wake up now

he...

How come?

I can heal since I was little, even bone fractures. I've healed all of grandpa's wounds.

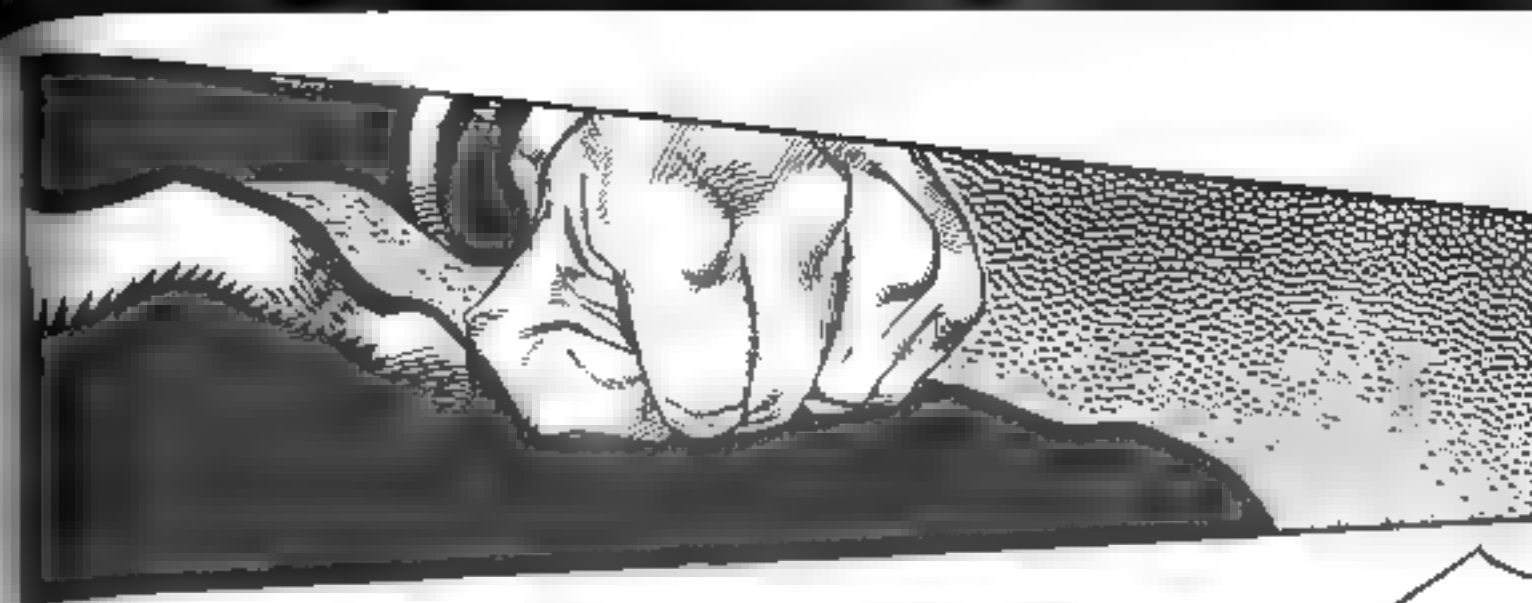

!?

NO MATTER WHAT  
HAPPENS, I WILL  
DO THIS FOR MY  
GRANDPA!!

I WILL  
PROTECT  
THIS TOWN  
AND MY  
MOM!!

His eyes instantly  
turned into the  
eyes of an protec-  
tor and a hunter!!

Even though not  
the best job in the  
world, but he  
protects the people  
here everyday!

He's been a  
street cop in  
this town for  
more than 35  
years....

When he  
heard that  
news about  
murder  
victims on TV  
just now....

112

And this time his  
target would be you  
and your mom!

He doesn't  
need a reason  
to kill, for him  
it's just a  
hobby, he will  
continue doing  
this....

There's no  
telling how  
many people  
died by the  
hands of  
angelo

Inside, there are also different kinds of pants, socks, shoes, shirts grandpa collected over the years, all neatly placed where they should be....

There are still police uniforms in the closet

after the funeral

Even though mom thinks they are part of the memory to her dad....

But nobody will be using these things any more....

I think they will all be cleaned out

en.... I can't heal my own wounds

IF HE GOES INTO MY BODY, I LOSE!!

ONLY TO DIE, NO OTHER CHOICES....

It wouldn't do any good hitting it, we don't know where the wielder is, we will catch the stand first.

looks like we can only catch his stand and defeat it....

If we let him escape, that will be very trouble...

119

Before I could realize what was going on

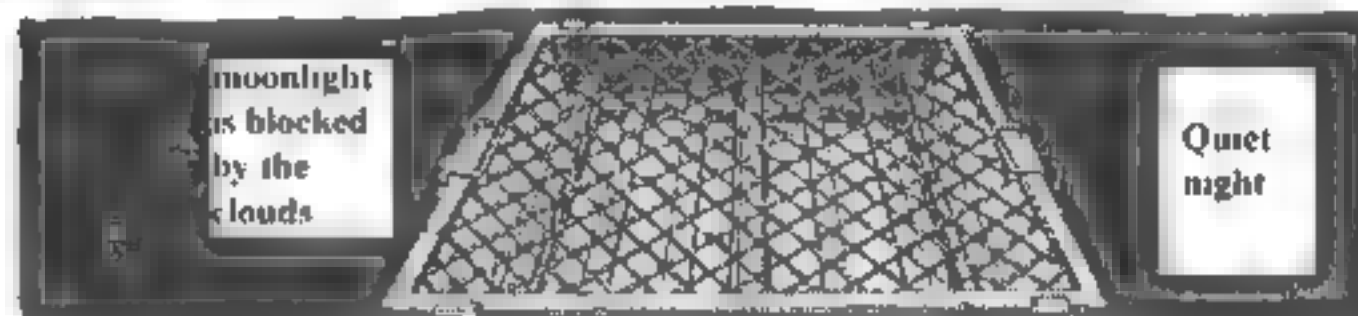

159

Last year, half a month before the execution

The guy next cell smuggled in a play boy mag. I was think if I can borrow it

that day, I couldn't sleep, blindly staring at the cracks on the ceiling

moonlight is blocked by the clouds

Quiet night

158

I thought it was some stupid prison guard

But it wasn't

then, I feel like someone was watching me

WHAT ARE  
YOU  
DOING???

啊  
!

AT  
THIS  
TIME

HOW DID  
YOU GET  
IN??

THEN

YOU, WHEN  
DID YOU  
GET IN  
HERE?!

He started  
shooting at me  
all of a sudden

a very old  
looking pair  
of bow and  
arrow, looks  
like it's  
hundreds of  
years old

I saw him  
picking up a  
bow and an  
arrow

I was shocked back then,  
so I didn't call for help  
or yell

Then you have a certain gift. the gift is called Stand, named by a man called Dio

If you got shot and can still be alive....

you've got the gift, or you will be dead by now

Its power comes from your mind

Stand is a spiritual gift

more evil a criminal gets, he is more likely to awake this ability

163

Dio

God

I will decide whether it's truth or lies.

continue

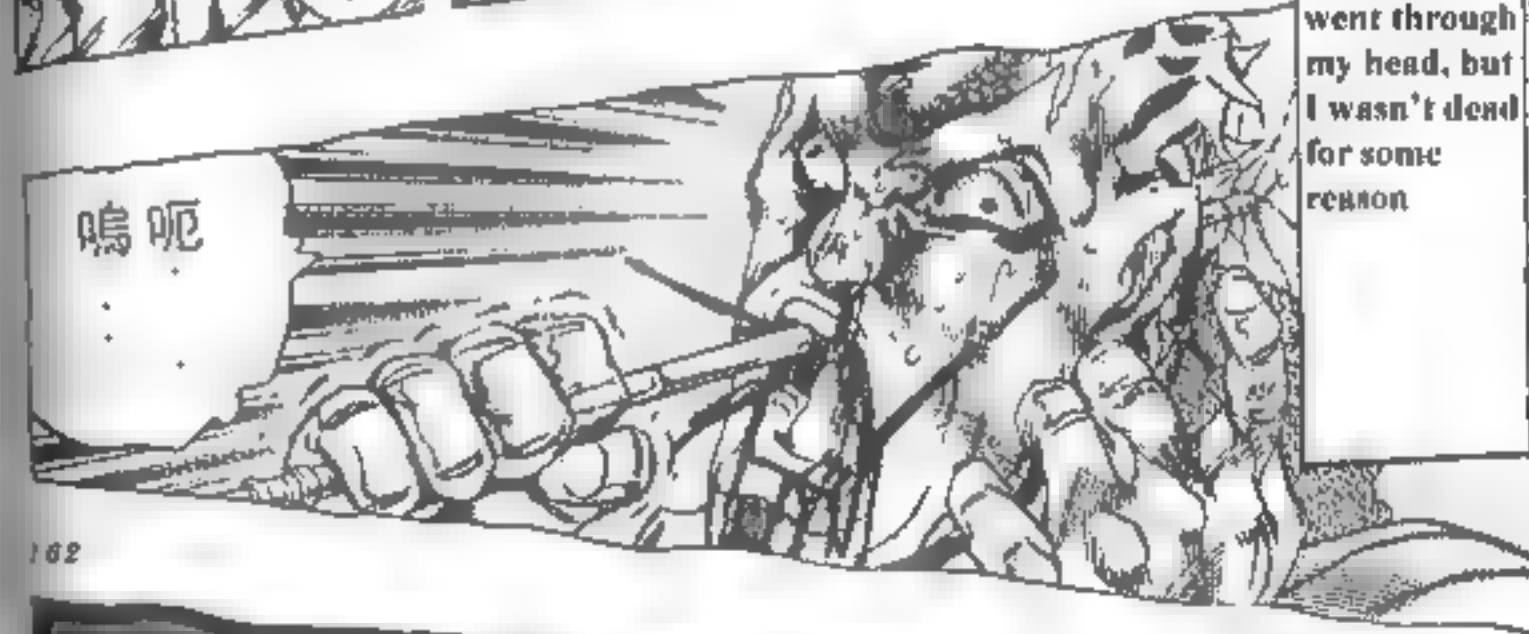

Or went crazy

You must be thinking I am dreaming

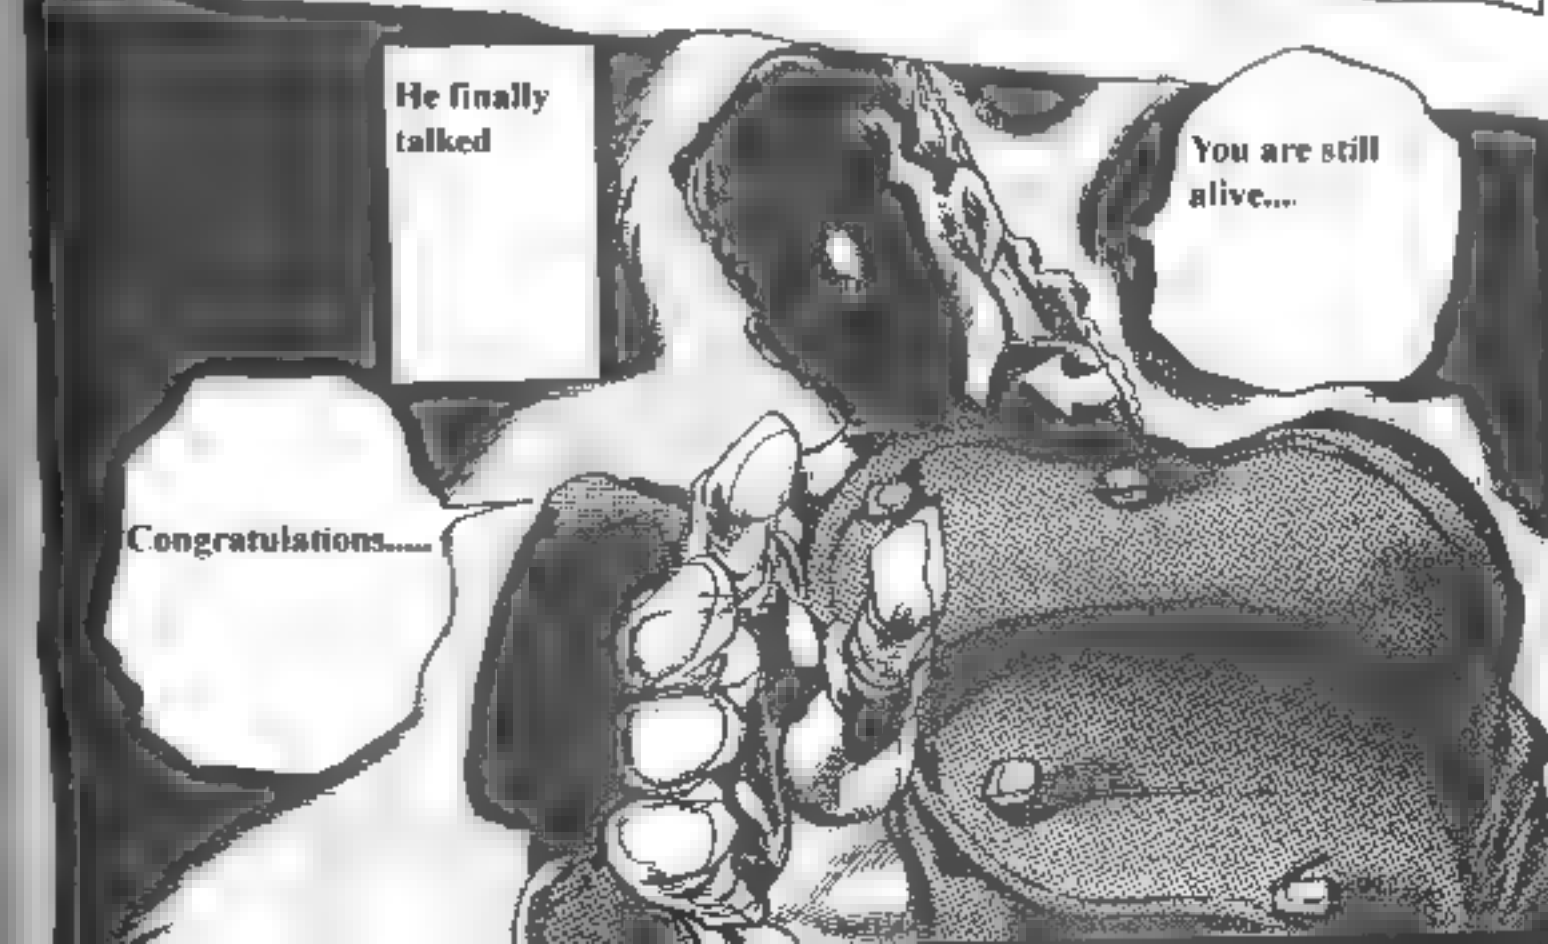

...

嗚呃

The arrow went through my head, but I wasn't dead for some reason

162

He finally talked

Congratulations.....

You are still alive....

I didn't know how he got out without a key

I am over there, want to meet me, go there....

your destination is the town of Duwang

It's a neat little town....

Who will believe this shit

HM!

He said?

This is how I got my stand

I don't know who he is, where he is, what does he want me for....

Who cares, he wants me to do anything I please...

I do

you can escape now

you won't die even if they hang you

When you get out, do anything you want, kill people, burn down building.... anything

who are you?

Just want a friend

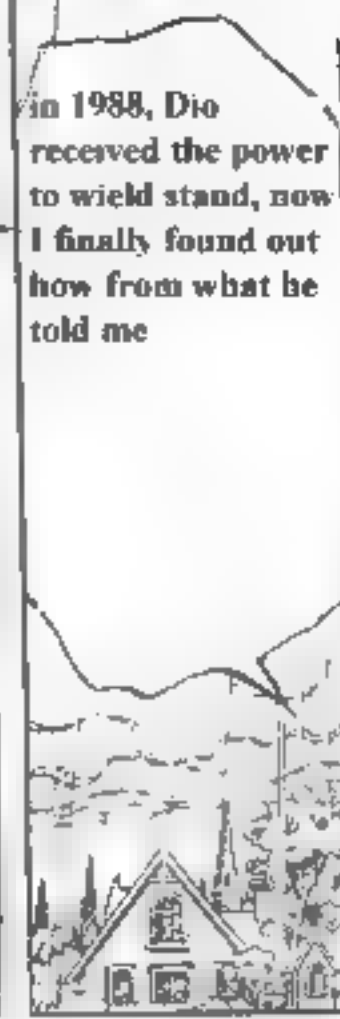

I am your friend

Don't ask

The guy with the bow and arrow, might be a new enemy

in 1988, Dio received the power to wield stand, now I finally found out how from what he told me

Dio was alive 10 years ago

In the glove, I can still move, I still have enough power to kill this boy!

Just listening to my story, forgot about my stand!

Stupid!

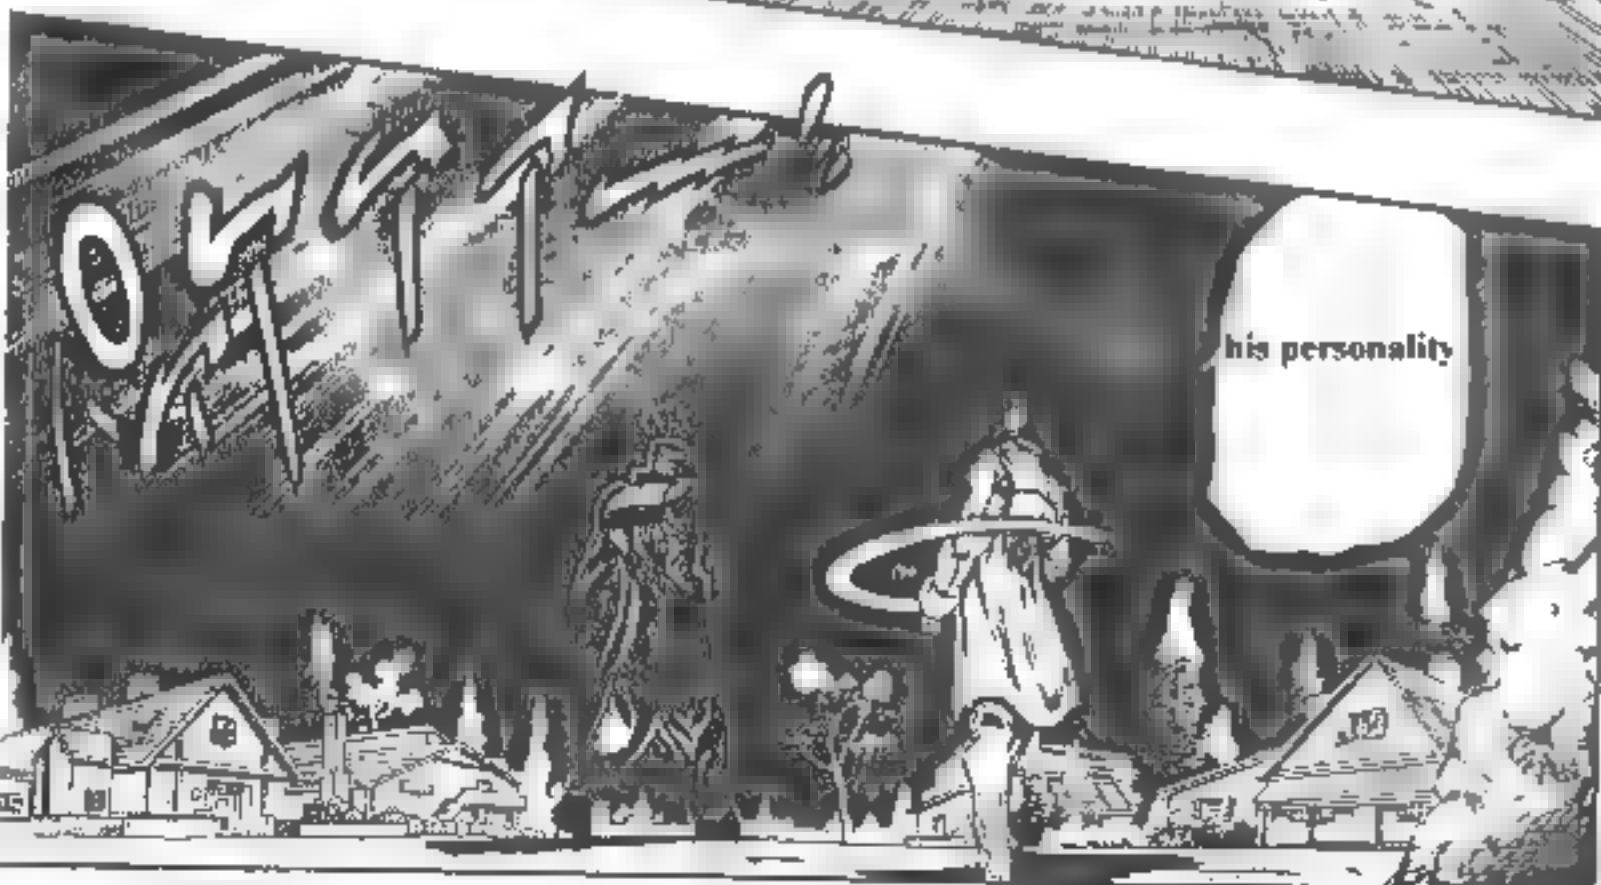

啊 哇  
! 啊  
啊

# 虹村兄弟之其①

The town is developing quickly into a S type satellite city, but the town also has some remarkable history, there are still buildings from the early feudal age and there are training grounds and houses built in the great samurai age...

I started living in Duwang since 1990

cow organs
